BUTTERFLY

As in the wards where things are dear, And nothink ain't so cheap as here ; Lenstwiee, the first they send or knowed A little chick had crossed the road. He seemed to be just out o' bed, Bare-leaged, with nothing on his lead : Clubby and cumin', with his bair Blown criss-cross by the mornin' sir Draggin' a tin horse by a string. out much care for snything A talking to bisself for joy poddlin' keerless baby boy.

Right for the crawlin' fore he went, as though to find out what it mean Trudgin' toward the fatal spot, Till less's three feet off he got. From where the murderin' thing lay still fust waitin' for to spring and kill : Marching along toward his grave. And not a soul dared go to mave. They hollered -all they durst to do , is turned and laughed, and then bent log To see the horroy on his feet, And went right on a crowin' sweet And then a death-like silence grew And all the tremblin', coward crew, As each swift speopl seemed the last Before the rearing of the blast.

Just then some charge or purpose or ugh! The priest : he saw, and quick as though He ran and caught the child and turned Just as the siumberin' powder burned, And shot the shattered rocks around, And with its thunder shook the ground. The child was sheltered : Father John

Was hort to death : without a groun He set the baby down, then went

leaves, one here and another there, all bearing the marks of time in the the farrowed check, the dimmed eyes, the deafened ear, the hoary head, the impaired memory, and the aching limbs; all these, with thousands of other ills, remind all of the frailty and uncertainty of life. Decay and death are stern realities that carry on, uninterruptedly, their work in every clime and every land over the

of God's mercy to mourn over departed relatives, friends and neighbours.

Those changes which we are constantly undergoing ourselves, are also seen in everything else. Decay is stamped upon the natural world. Our style of living has gone into extravagance, and wastefulnes, bringing forth bankruptey on every side, in many instances by corruption and to many instances by corruption and in the first of the departs of the decay is should say that lime simply acted as an agent in preparing regetable matter to be foot for plants. In form land the transfrom them, and would not be decount to keep of their arms from them, and would not be dead and front of their offending. They also taught the county there—took should say that lime simply acted as an agent in preparing regetable matter to be foot for plants. In form land the supply.—Ger.

This was the head and front of their offending. They also taught the county there—took should say that lime simply acted as an agent in preparing regetable matter to be foot for plants. In form land the plants for flething and an agent in preparing regetable matter to be foot of their arms from them, and would not allow them to be foot of their arms from them, and would not be forter that the county there—took the staught the county there—took the sumply acted as an agent in preparing regetable matter to be foot of their arms from them, and would not allow them to be foot of their arms from them, and would not allow them to be foot of their arms from them, and would not allow them to be foot of them it we sumply acted as an agent in preparing regetable matter to be foot of them in an agent in preparing regetable matter to be f in many instances by corruption and deceitfulness; men in bigh places are

Having, in the Providence of God, arrived." reached my seventy-second birth day,

The start of the first of the f

toils, the trials, the sorrows, the per-plexities, the conflicts, and the difficul-ties through which all are called to pass to some extent, and from which none are entirely exempt. To you, then, my young friends, let me commend this spiritual garden of the eburch,—it is you that are called in this particular way; it is you that are to be enriched in spiritual things; it is upon you the Church is to bestow her care to fit and qualify you for the services of God, that you may become active laborers in the vineyard the sweet fragrance of love and charity and ripen with the fruit of peace and righteousness, and at last inherit eternal life, where the wearied are at rest and the wicked cease from

vice of our Master in the future.

"Gene ! gone forever ! Like a rushing wave, Another year has burst upon the shore Of earthly being ; and its last low tones,

Heaven."

With God's blessing, farewell. HENRY RUBE. Shippensburg, Cumberland county, April 8, 1876.

"Got any ham and eggs?"

"Yes, sah, I guess so, sah; I have the biggest kind o' belief dat since we commenced to talk a chicken has found intimately associated with blown right into the kettle and been
