BUTTEFRELLY

The children have gone and left them: They sit in the sun alone : and the old wife's ears are talling, And she barks to the " known tone

Her old face used to wear.

She thinks again of her bridal-How, dressed in her robe of white. She stood by her gay young lever

the the morning is may as ever,

But it talls on a silvered bead. And the girlhood dreams, once vanished, Come back in her winter time.

Till her feeble pulses tremble With the thrill of spring time prime. And looking forth from the window, She thinks how the trees have grown

Though dimmed her eye's bright nauro, And dimmed her hair's young gold The love in her girlhood plighted

They sat in their place in sunshine Till the day was almost done ; And then at its close and, an angel

He folded their hands together-And their last breath floated upward Like the close of a solemn pealm.

Like a bridal pair they traversed That leads to the beautiful city,

Whose builder and maker is God,"
