and Coats, by the yard, at Fashion Bazar. 24 o'clock, p. m.

The Somerset Herald.

As Illinois girl couldn't get a certificate as school teacher because she was unable to tell why the hind wheels of a wagon are larger than the front ones. Of course the school teacher are if they don't soon all our teachers know, or if they don t soon

> The autumn leave gatherers report that not only is there a great lack of the usually brilliant colors, but the leaves are much thinner than in former years for some reason, thus making it very difficult to press and bandle them. This is the time of year for a man to look along the midnight shelf and wonder which bottle holds the whisky and which the tetchup.—New York Herald. COMMISSIOM MERCHANTS,

> > No 47 South Howard St. BALTIMORE, MD.

W. S. Temple & C.,

We have every facility for handling and selling Butter to the advantage of the Farmers and Merchants, and solicit liberal shipments of Glades Butter this season. We can safely promise our friends who ship to us to sell their Butter at the best market prices, and will send them promptly their sales and checks.

We refer to the Farmers and Merchants Butter at the best market prices, and will send them asked to the promptly their sales and checks.

We refer to the Farmers and Merchants Butter at the best market prices, and will send them white

If you want truth to go around the world, you must hire en express train to pull it; but if you want a lie to go round the world, it will fly; it is light as a feather, and a breath will carry it.—Tyn-dall.

Baltimore, Md.

This is an age of progression, but still few people remember that room should be ventilated from the bottom from where the boul and dusty air can escape, and not from the top from where the warm and pure air escapes.

The Somerset County Conference of the Evangelical Church, will meet in Levans-ville, Nov. 28th. The following subjects and essayists have been chosen:

BOLD MURDER.—On Saturday night of Our young friend Chas. O. Horst, while on a visit to Westmoreland succeeded in on a visit to Westmoreland succeeded in shooting over three hundred partridges in the year of the watchfulness. It tell you Chas, is hard to beat and the man that brings in more game after a days hunt than he must get up pretty early. On Wednesday last, he returned home and brought with him quite a large number of birds. His friends were invited in during the evening, when they all took a hand in disposing of the delicious little and in disposing of the delicious little frllows.

Our young friend Chas. O. Horst, while to enter. Some of our blest men in the different learned professions, entered them in this very way.

If, however, you make a mistake in man that brings into a professions as on who ought hunt than he must get up pretty early. On Wednesday last, he returned home and berought with him quite a large number of birds. His friends were invited in different learned professions, entered them in this very way.
