Mind Your Own Spainess

This is a homely phrase set in clear words. No one can misunderstand the meaning Those words should be lettered in pure gold, and put up conspicously in every business place and in every dwelling. There is such a disposition with the vulgar to be curious. They are admirably fitted by nature and low breeding to busy themselves about those things with which they have no right to meddle, and they are in every community engaged in their miserable calling. If they do not
