kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring Gray on Faden Hair to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary Harness, etc. glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most eco-nomical HAR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says,
