THE VALUE OF HEN MANURE. "five finger"—in fact these had taken almost entire possession of the ground. On June 6th I sowed 15 acres of the field with Hungarian—acres of the field with Hungarian—fowl per annum. From fifty hens I sowing a bushel to the acre broads so the pure sowing a bushel to the acre broads and state of the pure sowing a bushel to the acre broads and state of the pure sowing a bushel to the same time. From fifty hens I save about ten barrels of the pure sowing a bushel to the acre broads and statement sowing a bushel to the same statement so the same statement sowing a bushel to the same statement so t cast by hand, and at the same time hen guano during the year. What looks the best?" she persisted.

applied with a broadcasting machine a new disposition of government would ensue—

He can do more grumbling and find to the spring with soil. First as he started up again.

The property of the persisted of the per

500 pounds of Lister's ground bone to the spring with soil. First to the acre and harrowed all in together with a Thomas harrow. The gether with a Thomas harrow. The bone cost me \$8.50 per acre on the spring about an inch spring with soil. First interest time to talk, he said tion of government would ensue— intimating, as is sometimes thought more fault without cause than the most ambitious hypochondriac could hope to put into a life time. But a spread hen manure about an inch spread her manure about an i put in with other crops. Again the season was exceedingly dry, but one good rain falling from the time the seed was sown until it was cut, and only two other slight rains. We finished taking it in on August 12th, and had twenty-six loads of fine hay —not less than 28 tons off the 15 acres, against 6 tons off the whole the year before. The Hungarian was year before. The Hungarian was place, and in two or three months it fine in appearance, quite equal to any is ready to use, having become thor-

years ago, is almost entirely passed if the fule hath done it out o' carnal from public memory, and its causes as confused as the Schleswig-Holstein may the cauld rain o' adversity settle in his habitation. Amen."
