Only an emigrant ' one of five hundred ; Buried to his doom when some one blund When the rich go down we may recken the And value their lives and what they are worth But who will weep for the emigrant lost— This cled of clay which cumbered the earth? Drive the nails in his coffic lid.

But list, I pray. Longues on leagues away.
In a tur(-thatched but on the Irish shore, There are human hearts which are breaking day ; And bright hopes dushed for evermore,

And eyes half blinded with passionate tears, And the dressy outlook of desilate years. Only an emigrant lying there, Lifeless and mute in Hallfax Bay,

But his soul was strong, and his skies were fair, When he left his home—a month to-day. He fondled his child and kissed his wife, Ere he sought new scenes in the battle of life. Brawny his hands and brave his heart, And firm his belief that the bour would com When those with whom he drended to part

Should join him again in a Western home. Hopeful and happy, and rich and free, In a better land beyond the sea. Only an emigrant's family there, In the Irish home where the news was sped : But the terrible look of utter despair Makes the fare of the living as sad as the dead

For the light of their lives went out that day,

When the ship struck the rocks in Halifax Bay. Only an emigrant lying there, With his parted lips grown ashen gray. With the sea damp on his yellow hair, And his face aglust in death's dismay : O, mereiful God ! take his soul to Thee, In the beiter land beyond the sea. -Sanday Demo. rat.

RURAL TOPICS.

Written for the HERALD by a farmer, gardener and fruit-grower of great experience.

PARIS GREEN AND PLASTER.

Paris green is often mixed with finely ground plaster—20 parts of plaster to one of Paris green—and is thus applied to potato vines when the dew is on them. There are sifters made by tinners to apply this mixture, with handles about four feet long. If short handled sifters are long. If short handled sift long. If short handled sifters are within their incomes however small mentioned several large mounds or discussing everything under the sun. used the mixture may get into one's they may be. It is not so much in foothills appear rising from the plains, It was babel intensified. The Philmouth and poison him. If it be put into a bag made of open muslin or of strainer cloth it may be carried in Just think of the reckless folly of ones, hand and dusted man the vines.

They may be. It is not so much in foothills appear rising from the plains, and situated some distance from the have that most affects your incomes. Mr. Allen visited these, and the first thing peculiar he notice.

They may be. It is not so much in foothills appear rising from the plains, and situated some distance from the have that most affects your incomes. Mr. Allen visited these, and the first thing peculiar he notice.

GAPES IN CHICKENS, 4C.

We read in the Poultry papers of great losses of chickens by gapes; and the same kind of reports have been 'published for haif a centary to my knowledge. For 25 years I have been 'published for haif a centary to my knowledge. For 25 years I have been further pure, and a part crossed on the pure, and a single case of gapes in chickens. Now, the case of gapes in chickens. Now, the question is, are the gapes, which are humbly offered at the feet of Pius IX. There had been in the ground; thut when the present and the send in the proposed to the sun and at a 200 English pilgrims from the argument the proposed it is used, it would be well to have it is exposed. The part crossed on the proposed is the proposed to the proposed it is used, it would be well to have it so exposed. It pays to water strawberry plants in a drout while fruiting, perhaps the best of anything in a garden; and in the proposed to the possible form the argument of the payer of the country for the relief of the country for the relief of the country for the relief of the paying.
