> et tastes." Then he took a flask NOTICE TO STOCKHOLDERS DR. BANNING (OFFICE OF THE SALISBURY RAIL ROAD CO.) MEVERSDALE, June 18, 1877.

A San Francisco paper has published an article on kissing, in which we find the following:

"Tis said when you kiss a Boston girl she holds still till you get through, when she flares up all at once and says, "I should think you would be ashamed."

When a handsome young man think the chief of the suckholders of the Suitsbury Ratio of Company, will be held at the chief office of the Company in Meyerstale, Sameres Co. Pa. A. for the parpose of determining by a stock when she flares up all at once and says, "I should think you would be ashamed."

A little boy, whose sprained wrist had been cared by bathing in whisky, NOAH SCOTT.

W. S. EISSELL.

Notice is hereby given that a meding and an election of the stockholders of

catch had not he about it, is just about as pious as men ever get in this world.

"That point is not well taken," as the country schoolmaster said when he sat down on a pin.

"I how should a husband speak to a scolding wife? My dear I love you gill.

A dressing

which is at

once agreeable,

healthy, and

effectual for

gloss and freshness of youth. Thin the

hair is thickened, falling hair checked,

and baldness often, though not always,

cured by its use. Nothing can restore the hair where the follicles are de-

troved, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new

growth of hair is produced. Instead

of fouling the hair with a pasty sedi-

ment, it will keep it clean and vigorous,

Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. The restoration of vitality it gives to the

cleanly and offensive. Free from those

deleterious substances which make

some preparations dangerous and injurious to the hair, the Vigor can only

benefit but not harm it. If wanted merely for a HAIR DRESSING,

Prepared by Dr. J. C. Ayer & Co.,
