Sweet Surie Brown I my pretty our

I'm sure you must remember It not for love, at least for fun-The steach ride in December : When all the belles out all the beaux In spite of trests would go both, And squeeze beneath the buffelors, Each other's hands, ec. How brightly streamed the northern lights Above the snowy ridge/! How pleasant were the winter nights, Observed from country by tigen! Where "toll" was sought with such address

And laughter load would peal forth, While lovers felt amid the press. Each other's hands, &c. Tis very singular and quoer. Of all the mad devices, Leve's flame should bern so bright and clea On faci formed of free; And yet we own its flame-indeed

Most brilliantly would glow forth, When flamed behind a flying step!, Hist under fürs, &c. I'm sure you mind the village inn-The supper and the revol. How, in the general dire and din, Love shor life never level : And don't forget how Henry Kidd Embraced you ere he went forth, You kissed his tips, you know you did,

And when the toricks all were paid, How one old maid resisted, Until the younger ladder cried, A prude they all detested Doest Pratie enel-the ancient Acm-Her mounty to show forth. I'd never yield to any man

He squeezed your load, &c.

My virgin lips, &c. The wlatry wines the hosenword way, like chily in our faces, fort undernooth our furs we key. All snugly in our places! One gire upon the farward sent-The pretty Neil 2 Wentworth-Declared Jack From or Billy From,

Had placed for elect, &c.

Another, unierneath but robo. (The buildless, not her areases, Fair Patience, with attentire Job-Sprang up with ungry, blacking face, Her innocence to show forth. But showed her cards were out of place Her cellar gion, &c. And then the parties at the doct

Sweet lips from their abundant store Chave to the poor in kinses! The parting word-the hong eashram As Copid's arrow shot forth, Bronglit fire to many a boyish face And rulsed his hopes, A.c. Dear Susic Brown, save you and I.

No other pair are left to try Love's intest, best experiment : And when the coming snows shall spread, And mutual hopes shall glow forth hing Hymen bless our nuprial bed, Increase our Juys, &c.

Fur the Hemand. "DOGGIE."

down to the kitchen and see what that was only trying to get some flashing back the warm sonshine

ad his hands before his face, saying : | s'puse dogs sleep, papa ?"

"He is like her, so like her, and so "Oh, almost anywhere, I guess."

I had and I loved him;" and so with the damb entreaty in his eyes he was left to lie above the lifeless breast. Was always her disposition to do so, and the more miserable the case, loggic, you will sleep right here."

At morn they bore the body of the too, and the more miserable the case, making a soft bedout of Mrs. Per-boy to his grave beside his mother, and so with the damb entreaty in his eyes he was left to lie above the lifeless breast.

At morn they bore the body of the boy to his grave beside his mother, making a soft bedout of Mrs. Per-boy to his grave beside his mother, and so with the required a tape measure and a note there with elenched hands and a lornation.

Words of Wisdom.

And so he is gone. And to day she is alone again with the old burden and the old pain—Dambery less formality there is in it.

swered, "I am tired."

Harry lay upon his father's breast at the little heart seemed to almost till at last he lell asleep. Then lay- divorce soul and body, and the father ing him tenderly down on the sofa, and loving old nurse were po werless

But The one question now agitating the public mind in Pennsylvania is the public mind in Pennsylvania is the p summer of befeavement, while he had poor creature had been taken by given up to grief for his lovely young Harry; a month that had made sad wite, his child had been fading with havor with the little vitality of the white tombstone, below his name, the summer, decaying with the auchild, who now scarcely moved off bears a strange device—a dog dead to the summer, decaying with the auchild, who now scarcely moved off bears a strange device—a dog dead to the summer, decaying with the summer, decaying with the summer of befeavement, while he had poor creature had been taken between times and that the same time, it is possible that the same time

ing him tenderly down on the sofa, the startled man went out and called Mrs. Perkins, and pointing to the approaching that would release the nual conventions that the practice of component to conventions that the practice of conventions that the practice o

the father, looked long and pittfully and the merchants of Senser begins to each this like yes, and the father keep, the had not expected it. Then they went out into his eyes, and the father keep, the had not expected it. Then they went out into his plant the father keep, the had not expected it. Then they went out into his eyes, and now this solemn for the little children through and despairing that the merchants of Senser was obligated in the little children through and the market words are sometimed to the little children through and the market words are sometimed to the sichutton consisted of the application for the interest of reform any other tired I ever was. Ob, doggic, you here? (Course, this is a delicate the little children through and the market was solven the little children through and the market words are some the little children through and the market words are some through the went and public morality, it must be distribution good and solven and as if he was tied words and the wasted you to see his poor leg. The merchants where the little children through and the market words are some through the wish that and coat and little children through and the substitution—of the mire value. The new was to feel better, don't you gind I took him! I'm glad you let me was a delicate to the little children through and the substitution consisted of the application for the investigation of the investigation of the investigation of the destitution—of the mire value of the size was delicated. The new was a delicate to the size was delicated to the size of the morality, it must be distributed and problem of the little children the wastern years ago this fall took him! I'm glad you let me was serven years ago this fall took him! I'm glad you let me was serven years ago this fall took him! I'm glad you let me was serven years ago this fall took him. I'm glad you let me was serven years ago this fall took him. I'm glad you let me was serven years ago this fall took him. I'm glad you let me was serven years ago this

Perkins, the housekeeper, had a thousand objections to make against keeping the dog till little Harry at last said with flashing eyes: "Mrs. Perkins, were you ever cold and hungry and sick, without any home to go to, or any one to love you?"

All of a sudden the housekeeper's and a love bim, don't I doggie?" Then, was unterly and threw himself upon the from by the doctor. He gave way utterly and threw himself upon the floor while great sobs shook his frame. He had consolation in but to go to, or any one to love you?"

All of a sudden the housekeeper's and a love flow and the sun last as and the housekeeper's only he does look so foany, don't he? All of a sudden the housekeeper's only he does look so foany, don't he? All of a sudden the housekeeper's and the sun last as are as I'm a living through the windows and the sun last as are as I'm a living the look of the was swinch saffounce. It to you?"

Mr. Emmons had been taken from pairs of assorted sizes to be sent to their respective addresses. In addition to these letters the agent exhibited a sample of the garment in question, which appeared to be of the way unterly and threw himself upon the floor while great sobs shook his frame. He had consolation in but the floor while great sobs shook his it to you?"

"Yes, Harry, what do you want?"

"Yes, Harry, what do you want?"

"Yes, Harry, what do you want?"

"I don't wan: anything now, papa is will take doggie for my Christmas, much need of him there as you here."

I don't wan: anything and that was "She has as much need of him there as you here."

I was one which no protein lady could permit to pass unimproved, and near-through the windows and the sun love that deal way and the sun love the way and the to you?"

"No I haven't," he presisted, his face darkening. "I bought that germit to pass unimproved, and near-through the windows and the sun love the floor while great sobs shook his it to you?"

"No I haven't, "he presisted to be of the way and the way and the way and the way and the sun love the floor while great All of a sudden the housekeeper's only he does look so fanny, don't he? He lay there till daylight came pale face flushed and tears came into be where there was a good fire, and and busied berself with other affairs. He lay there till daylight came through the windows and the sun ly every one to whom the agent applied ordered at least half a dozen as though between his setting and pairs, to be paid for upon delivery.

WHOLE NO. 1381.

The Six-Button Principle.

the startled man went out and called Mrs. Perkins, and pointing to the stagening child, whose face was papir near racked the little heart so grow. At such times the eyes of the poor little dog would be raised pitcously to each in turn, as if in enteraty that something should be done for Harry, who he knew suffered so. At length the last hour came—the suffered with the silver cord was almost low-need, and the little heart so long there so and the stricken father. Started out while the good old house-keeper sat down and looked at the coll through her fast falling tears. She thought: "The hand through her fast falling tears with which professional dress-reforms and conduct while the good old house-keeper sat down and looked had any would be rested in the calm of heart through her fast falling tears. She thought: "The hand had any would not suffice the park which while heart disease; but if he had had any it was of no use, for no one can care heart disease; but if he had had any trees at all be must have seen that I have kept the lamb from excitement, and how exthered the man form the down hand looked at it of death, and now and then hearting to death, and now and then hearting the white face so fast chilling to the hely and so when hand clasped in the calm of heart through her fast falling tears. She thought: "The lamb! I kneed the park is something should be done that the sufficient part of the park is a support to the done that the fast of the park is a support to the done through the part of the park is a support to the done through the part of the park is a support to the done through the part of the park is a support to the done through the part of the park is a support to the done through the part of the park is a support to the done through the part of the park is a support to the done through the part of the park is a support to the could be part of the part of the

eyes at all be must have seen that I bave kept the lamb from excitement, a sigh as deep and full of agony as and have taken all the care I could of birm and have done for birm and bir

Soon the doctor, accompanied by the father, came in, and the old man, who had been not only physician but friend and adviser to the dead young mather all her life, sat last unclosed his eyes and said:

"Papa, where is annt Mary? I thought I saw her come in at the hall watched his pale face, his bine lips, his purple fiager tips, and bis labor, ed breathing very gravely; then, at last unclosed by the father, looked long and pitifully."

No, Harry, I hope she will come the father, looked long and pitifully.

Soon the doctor, accompanied in the accompanied in the accompanied by the father, came in, and the old the air outside that made it hard to those who, unprotected, walked along those who, unprotected, walked along those who, unprotected, walked along of three contiguous counties in Peonsilvania were successively visited by a slight, graceful and unassuming you know to be false."

"Papa, where is annt Mary? I thought I saw her come in at the hall door, and you told her to go out; you would you?"

"Do you mean to say I lie?" he have to do, is to think of the lissed.

"You shall be sorry for this," he ignorance—of the destiration—of the invention—of the invention of the invention of the invention—of the invention of the
