Mr. Wm. Redinger, who lives in Black Valley three miles from Everest. The little child when only five years old had a had attack of scarlet fever, which resulted in destroying the sight of the right eye on tirely and very nearly so of the other, since which time tumors have been growing tree halfs each like the right one for. Some people live for themselves alone, and possibly improve the condition of the remaining eye. The little sufferer return.

We are glad to notice him about again.

Mr. Wm. C. Griffith also met with an
