horse hoe, and hilling the potatoes just enough to cover the weeds among the digging should be done with a potato digger, or a plow. The writer quoted above says: On light soils, the digging may be performed by any of the cheaper diggers, which are made with prongs projecting in the rear of the plow; the soil being friable, the tubers are thrown to the surface. On heavy or adhesive to the surface to the through and the digging the to the surface. It is to the confidence. Is it to the mission to convict them right or wrong the through the world is full of dreamers; a few men to committ a crime the old silver-tonge around right where he would direct this committee the oir wrong. The charge against Gov. Wells and by any of the charge against Gov. Wells and the oir wrong. The charge against Gov. Wells and the condition to convict them right or wrong. The charge against Gov. Wells and the oir wrong. The charge against Gov. Wells and the considered this committee the circumstances, he would direct this community to the committee the circumstances, he would direct this community to the committee the circumstances, he would direct this community to the committee the circumstances and the substances is so trivial.

agement, The INTER OCEAN stood throughout the momentous struggle without a peer.

There never was a time when Republicans more needed a journal steadinst and true than now. Never before, in the history of the country, has there been a period of such political interest and inquiry as is now in the immediate future. Great questions are to be discussed and disposed of; embarrassing complications are to be grappied with fundamental principles are to be defended. Republican to the core, The INTER OCEAN will give all possible information on all political topics, and, while treating opponents with the greatest lairness, will mantain its high standing as an earnest and outspoken advocate of uncompromising and unadulterated Republicanism.

While The INTER OCEAN stands record to no Mattocks, Grub Hoes, Picks, Scythes, Sneaths, Sledges, Mason Hammers, eral Merchan-Cast Steel, Step Ladders, Carriage and Tire Bolts of all sizes. Loooking Dry Goods, Glasses, Wash Boards, Clothes Wringers, Meal Sieves, Door Mats, Baskets, Greecies Tubs, Wooden Buckets, Twine, Rope all sizes, Hay Pulleys, Butter Prints, Mop Sticks, Traps, Steelyards, Meat Cutters and Stuffers, Traces, Cow Chains, Halter Chains, Shoe, Dust and Scrub Brushes, Horse Brushes, Curry Combs and Cards, Door Locks, Hinges, Screws, Latches and everything in the Builders' line. Caps, Lead, Shot, Powder and Safety Fuse, &c., &c., The fact is, I keep everything that belongs to the Hardware trade. I deal exclusively in this kind of goods and give my whole attention to it. Persons who are building, or any one in need of anything in my line, will find it to their advantage to give me a call. I will always give a reasonable credit to responsible persons. I thank my old customers for their patronage, and hope this season to make many new ones. Don't forget the place
