ing or haggling disposition, never re-

roached him. Seven o'clock Mrs. Oaks fed the into his brain. fire from the ample supply of wood dow in the diggings, and essayed to look out into the night. The glass

Out he sprang through the door. The way. The storm was over. The little children to his care when on a visit to their aunt. The animal halts were cafe on the piazza before the little considered under existing laws are cause serious illness. This is true if Oaks had ingeniously carved out of

day present, and then putting her hand into the bosom of her dress she itself from its slumbers. When it manner. A well worn copy of the New Tes-

passes, your heavenly Father will also forgive you. But if ye forgive not men their a tree, not by the teeth or claws of a trespasses, neither will your Father forgive your trespasses.

We would most respectfully announce to our cross and follow me.

I am the resurrection and the life; he that helieveth in me, though he he that believeth in me, though he were dead, yet shall be live; and whosoever liveth and believeth in me be saw the frozen blood spots on the waving his hand.

The men struggled on.

"Hah!"

In a few moments she had managed to sweep away apart of the drift and close the door. Then she relit the candle. Next she threw off her dress and petticoats. Going to the old horse-hide-covered trunk in a corner she pulled out of it her husband's spare suit—the clothes in which he won the three thousand at faro which allowed him to marry
