DENTISTS.

DR. WM. COLLINS, DENTIST, Somerset,
Where he can at all times he found prepared to do
all kinds of work, such as filling, regulating, extracting, &c. Artificial toeth of all kinds, and of
the best readerial, best test of Court lines warranted.

JOHN BILLS,

DENTIST. Male Cross Street

WM. COLLINS,

Office above Casebeer & Frease's store, Somerset, Fa. In the last fifteen years I have greatly reduced the prices of artificial teeth in this place. The constant indreasing demand for teeth has induced me to so enlarge my facilities that I can make good sets of teeth at lower prices than you can get them in any other place in this country. I aim now making a good set of teeth for ss, and if there should be any person among my thousands of customers in this or the adjoining soundies that I have made teeth for that is not giving good sattafaction, they can call so me at any time and get a new set free of clearge. DENTIST,

A RTIFICTAL TEETH! J. C. YUTZY.

DALE CITY, Somerset Co., Pa.,

Artificial Teeth, war anted to be of the very best quality. Lin-like and Asadasme, inserted in the best style. Particular attention paid to the pres-sevation of the natural teeth. Those wishing to semanit me by letter, can do so by enclosing stamp Address as above. p12-72

Which we will seil as chesp as the cheapest. Please call, examine our goods of all kinds, an speak," gasped the writhing man cheek laid against his own.

Milliner bills, college bills, doctor bills, There are some kind of bills every day. Like a patient horse in a treadmill, He works on from moraing till night; Does any one think he is tired, Boes any one make his home bright Is it right, just because he looks troubled, To say he's as cross as a bear ? Kind words, little actions of kindness Might banish his burden of care. Tis for you he is ever so analous-He will toil for you while he may live :

There is a flower that grows only wounded man. "Keep it from her. amongst the snows of the Alpine Give her the flower-and-and my first kiss. mountains as far as I know only love." And he fainted. in the Alps. It is white all over— It was not until the next morning the year took place before long, bestems, leaves and blossoms—white that Jean, the guide stood before side Sir Herbert's couch, and the One of the brothers turned that Jean, the guide stood before side Sir Herbert's couch, and the rare climber. There are very few of bard.

"I think not, mademoiselle.

"Gone on! You mistook."

Jean's task grew harder yet.

the Alps, grow enthusiastic in regard moiselle." to this flower, and are wont to say that they would dare anything to get himself?" thought Lady Bertha, men. one; but when devout husbands and taking the rare blossom in her well paid guides have done their hand. best for them, they still return to Aloud she said: "Many thanks to town without the blossom. No wo- Sir Herbert. But he has also returned ?" man yet has ever picked one. "No mademoiselle.,' "Not many men either," says the "He is coming ?" landlady of the "Golden Dove,"

standing before her English guests, and chatting of the sun-flower; "few bade me say he had gone on " men. Now and then, one very much in love finds one for his sweet-heart. It is as trough he said, 'I have winning with a snow-blessom. I away.

Does any one cure aught for father

Does any one think of the one

Upon whose tired, bent shoulders

The cares of the family come "

And toils on from day unto day,

Does any one think of the duebills

He is called upon daily to pay ?

In return he only asks kindness.

And such pay is easy to give.

THE SNOW-BLOSSON

Although his steps ever grow slower,

The father who strives for your comfort,

And his dark locks are turning to gray.

lovers," says Lady Bertha, looking he was too brave to shrink danger, though the magnets be one mile or a the pungent aroma peculiar to the ing got his hand on the knob, fully younger Redfern, his son, married at the tall and elegant man beside her. "A girl could not say 'No,' as the lady who threw her glove into more remarkable, these currents of to make friends with the intruder, probable that they, exasperated at cook, embarked in the grocery trade, the landlady says, to one who has the lion's den, and bid ber lover to electricity may be sent through the and, by way of conciliation, be pass-his conduct, did all in their power to and made much money. The grothe landlady says, to one who has the non's den, and old let love to electricity may be sent intogent to and, by way of conduct, did at in their power to bring it to her; he brought it, but wire without the actual contact of ed up to the skunk, who perched on one of he upper shelves, a savory him bring me a snow-blossom if he had, as she believed, punished her. If the iron is brought near to one of he upper shelves, a savory him bring me a snow-blossom if he had, as she believed, punished her. If the iron is brought near to one of he upper shelves, a savory him bring me a snow-blossom if he had, as she believed, punished her. If the iron is brought near to one of his own treasure house. The Calais lect square of the city. Dropping

that which makes it happy," said he. Herbert; no message. He No galvanic battery is employed to backed slowly out of the cellar, carthat on the day when the Committee leaders, and each winter launched She answered, "Bring me the was not in England or they should furnish an electrical current, as in the rying along with him the board with meets C wkling will come in first and out a series of Germans, kettle drums,

tain beights. They had reached a explainable. yawning chasm, and had come to a "Bertha has refused him, silly constructed instrument, the import- was making for the foot-hills, and idential aspirations and attend to all aware of their pedigree, and are good mountaineer, but you were not sort of girl who throws herself away of these encased in a brass tube to born to it. Up yonder, little Jean at last upon a rascal. I have no which a close fitting mouth piece is declares there is a snow-blossom. hope for her." He alone of us four can take that And Bertha? Ah, poor Lady It is well known that sounds are In Chili there is an elderly farmer leap in safety. Once, at his age, I Bertha was unutterably wretch- conveyed by waves that travel swift- who is passionately fond of sport-

his teeth, and turn toward them. wasn't he?"

that man."

ed!"

Then no more was said. Scrambeard that I have met with a severe some sons at last gained the spot to which Sir Herbert had fallen in an instant. Helpless he lay across the rocks.

Tam unable to oner you a chair or a better oven my hand. Perhaps you have the door, he answered:

"I kno's dat niggah Gumbo, but dat ar niggah don't lib heah! Wby, dat ar Gumbo am jes dun gone ded dese fo' yeas! Yes he am! he jes dun gone ded dese fo' yeas! Yes he am! he jes dun gone ded dese fo' yeas."—New Bedford (Mass.) Mercury.

The no more was said. Scrambeard for a better view, and while he was obligingly looking out for it, it came along. He saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw it, but he had to sit in the ditch saw

Then, with trembling hands, she at tired herself for a drive, and ordered her carriage. She knew that this instant the footbold to which Sir Herbert Vane would be found at the forced the rock from its position—it fell, and be fell with it. The guides of the rock from its position—it fell, and be fell with it. The guides of the rock from its position—it fell, and be fell with it.
