The little town where the first...

eighteen years of my life were passed...

was in a lonely part of the country...

many miles distant from any of our...

commercial towns. I was the oldest...

of a family of six, and I was the only...

daughter. My father was particularly...

fond of me, for I had not only been...

pronounced the best scholar in...

Rosedale, but had for the last two...

years taught our village school. How...

did I love that school! How did I love...
