be satisfied from your own todement. Don't forget where we stayder fine. | MAIN CROSS Street Sewertet Pa. AUGUST.

BY WILLIAM CULLEN BRYANT. predecessor of the Home Journal.]

The quiet August noon is come; A slumberous silence fills the sky. The fields are still, the woods are dumb, In glassy sleep the waters lie.

And mark you soft white clouds that rest Above our vale, a moveless throng The cattle on the mountain's breast Enjoy the grateful shadow long.

Oh, how unlike those merry hours In sunny June when earth laughs out; When the fresh winds made love to flowers And woodlands sing and waters shout-When in the grass sweet waters talk,

From every nameless blossom's bell! But now a joy too deep for sound,

"That is a very handsome house of Mr. Strong's," I said, reterring to one visible from the window at which I was seated; "it is quite an ornament to your whole village.'

Miss Ingersoll's Letter

Little Miss Ingersoll sighed, as she always did when Mr. Strong or his belongings were mentioned. She was a tidy old maid of about and during the two mobiles of summer holiday, rented her only spare had made me at home in the most dark."

genial sense of the word. We were fast friends in a month. and had exchanged many confidences, one reposed in me, after that long that were pouring from her lips.

speech was rather vague.

on the contrary, refreshment and invigoration.

Its immediate effect upon the digestive organs, whether impaired by disease or calculated from any case, is to large as often as I could, that I might ask at the post office for a etc. It was a long with the air; and now it only remains for might ask at the post office for a etc. It went into the parameter described with a parameter of the sound and apparently as much in love us to measure the force, and point it old may be a death notice. It went into the parameter described and apparently as much in love us to measure the force, and point with direction of the liver, as if their courting had not out the direction of the wind. This done by the familiar weather vane from Gerard.

"Yes, my dear," continued the lit. It never had one in my life.

To thisse affected with a parameter of more is done by the familiar weather vane from Gerard.

"It was a long winter to me, for the normal structure of the sound and and of mental structure of the sound and and of mental structure of the sound and the sound and and of mental structure of the sound and the sound at the sound and and one of the sound and the

The German method of managing the pleasant play of philopena is as

When a couple meet after eating philopena together, no advantage is taken of the other until one of them pronounces the word "philopena." This the warning-now the sport is

to begin. Let us suppose that a gentleman calls upon a lady. She invites him to walk in, and at the same time speaks

the talismanic word. If he accepts the offer to walk in he is lost, unless she removes the ban by telling bim WHOLE NO. 1414. to go away. If she asks bim to take off his hat, he must resolutely keep it on ; if to be

seated, he must stand; or if at the table she should band him any article Four or five City Hall officials which he accepts, she wins the for-

Perhaps the gentleman brings a "Certainly there is," they replied little present, and says: "Knowing that I shall lose my philopens, I have she is caught off her guard by the

"We are," was the prompt an- smooth speech, she loses, for he immediately claims forfeit. If neither wins at the first meet

Bitter Cream and Butter.

Some one asks. What is the cause grow bitter, and consequently the be bitter also : but let the cream stand uncovered and sair it every day, and it is never bitter or unpleasant.

The remedy is very simple. always leave it uncoverd, and prob-
