he came to a second block, but near this wall he saw a door opening to the South. Creeping through this door, he saw a ray of light, and knew that he was near the surface. Creeping into a chamber, he found more light, and following the ray, crept through a hole into another chamber, which he found in use as a station for donkeys. Seeing the miners coming out of the very bowels of the earth, the donkey man fled for his life, voiling out that he was pursued

by gins ! The secret gallery was afterwards found again at a distance of eightyfour yards from the Temple wall, and Captain Warren had no doubt that it extended as far as the citadel -at the present, Jaffa. A vaulted than the regular price for everything dirt and stones will be thrown. The chamber under Joseph Effendis'
