He probably wanted the twenty workmen. English and Amermeans of stocking his farm and fit jean enumellers have vainly tried to munities. (Applause)

Now, my friends, with this picture, as I think so full of hope for the future for you and me as individuals, I do venture with confidence upon predictions of prosperity. I have no spirit of prophecy, but, reasoning, let us see how it stands. The debt is a great burden on labor and capital. It is greatly diminished, and is call diminished. Tayation is a great call diminished. and thereby strengthening the public credit having been adopted, let us observe the result in the present condition of the public debt with respect to interest. The total interest bearing debt August 1, 1878, was as follows:

The total interest bearing debt August 1, 1878, was as follows:

The total interest bear in the value of the Government, and then with that which helps us—a sound correspondent products exported from the United States for the year 1878

The total interest bearing debt and still diminished, and still diminished.

The total interest bear recent, Navy Penstor Fuod. a 14,000,000 agricultural products exported from the United States for the year 1878

The total interest of the value of the Government, and then with that which helps us—a sound correspondent to the value of the While times were good he did not so much mind the government tax on whisky. But hard times came along, and singularly enough, they struck this class of producers first of sil, and very hard indeed. It was about the come when he could afford both. While times were good he did not so much mind the government tax on whisky. But hard times came along, and, singularly enough, they struck this class of producers first of sil, and very hard indeed. It was about the structure of the was about the United States for the year ending ing—may I not confidently say that these are indications of reviving general business prosperity? (Great appliance) And now shall we look.

This is about a first the time would defined both. While times were good he did not so much mind the government tax on whisky. But hard times came along, and imminishing. Taxation is a great burden on labor and capital, and is different to the with didnination of th tal. It is greatly diminished, and is still diminishing. Taxation is a great ship thought that the time would respleadent with gilding and mirrors. applause.)
