DON'T SLAM THE GATE.

BY P. E. W. Now, Harry, pray don't laugh at me, But when you go so late

I wish you would be careful, dear, To never slam the gate. For Bessie listens every night, And so does teasing Kate To tell me next day what o'clock They heard you slam the gate.

Twas nearly ten last night, you know, But now 'tis very late-(We've talked about so many things;) Oh, do not slam the gate,

For all the neighbors hearing it Will say our future fate

We've been discussing : so I beg You will not slam the gate. For though it is all very true, I wish that they would wait To canvass our affairs—until— Well—pray don't slam the gate.

At least not now. But by and by, When in "our home" I wait Your coming. I shall always like

To hear you slam the gate? FROM DEATH TO LIFE. glare into the otherwise unlighted room. Outside a winter storm bellowed over the chimneys, and beat seriously at the window panes. Afar off we could hear the gust roaming among the naked hills, now plunging among the naked hills, now plunging among the naked hills, now plunging among the skeleton branches of the trees, and again whirling overhead with a weird shouting sound, head with a weird shouting sound, head with a weird shouting sound, the throats of evil things riding upon the throats of evil things riding upon the wind. The ghostly spirit of the storm seemed to have penetrated source as the too, weird, and uncanny as it took the measurement and height of a large number, some years ago, with the following result:

Two Norway spraces, set twenty beautiful, a number of them being entirely beyond description. There is vonia flew before it, her freight of incident the figure of a weather was fair with slight head invisible source immediately beside the following result:

Two Norway spraces, set twenty years, were five and a haif feet in an absence of springs, but beautiful grottos, bowers and palance-like structures are to be seen at every turn. In one place a Chinese pageda present itself; there were four entran tiok the following result:

Two Norway spraces, set twenty years, were five and a spread of about twenty-six feet in height, and had a spread of about twenty-six feet in height and proportionately large.

A black spruce set fifteen years will be required. The following result:

Two Norway spraces, set twenty winds until it seemed to emanate from some invisible source immediately beside the following result:

Two Norway spraces, set twenty winds until the following result:

Two Norway spraces, set twenty the following result:

Two Norway spraces, set twenty winds until the following result:

Two Norway spraces, set twenty five set in height, and had a spread of about twenty-six feet in height, and had a spread of about twenty-six feet in height, and had a spread of about twenty-six feet in height, a

We had canvassed the theme pretty thoroughly before we discovered that two of our number, the professor and the doctor, had taken no partin the conversation. They were sitting a little removed from the rest of us, gazing gloomily into the fire. Their ordinarialy cheerful expression.

that is exactly what you are pressing both of us to do. I have no doubt that the experience which I am about to relate, and in which my friend the doctor here no unimportant part.

has as kind a neart as ever beat in a say that while we belt above that body we again heard the voice protone that the experience which I am about to relate, and in which my friend the doctor here no unimportant part.

There was a touch of sarcasm in the worthy professor's tone, but i our eagerness to hear his story we what has happened? "However," he continued, "I will hoarsely. it, why I shall try to have charity be rejoined. 'Tell us about it. We to return to life.' for your ignorance and conceit are friends, my dear, and medical "It was some minutes before eith-

4. They are better grammarians a living woman, surely alone and suffering in an inaccessible fastness where we were morally certain nothwhere we were morally certain nothproceeded first to the couch where the where we were morally certain nothing human dwelt. And then what misery was it that gave itself such uncanny expression? No fear nor bodily pain, but something nameless to us. While we were debating these questions in smothered tones the cry came once and found it as we were debating these questions in smothered tones the cry came once and sulpor. I then expression are included in the wilderness. We have heard of the meaning of the meaning of the meaning of the size and chambers discovered. The correspondent gives the following description of what he styles the most gorgeous chamber of all:

"The young man, as we discovered the following description of what he styles the most gorgeous chamber of the new galleries and chambers discovered. The correspondent gives the following description of what he styles the most gorgeous chamber of all:

At last, through a narrow opening, and yet intenses overy variety of style in the newspapers the following description of what he styles the following description of what he following description of what he following description of what he styles the following description of what he for all:

At last, through a narrow opening, and yet intense sorrow of the statesman, they more conscious, except a vague, dreamlike, bad left it, except that the features and chambers discovered. The correspondent gives the following description of what he following description of w

smothered tones the cry came once again. This time is words we understood:

"Help! Oh! God! Help!"

"At this intelligent appeal to our manhood, our superstitious weakness at once disappeared. Seizing a torch from our smouldering fire, we made our way hastily toward a pile of rocks a few yards distant, whence the sound seemed to have proceeded. Scrambling up the height we came suddenly upon a strange and morn.

Scrambling up the height we came suddenly upon a strange and morn.

Server of the voice that had addressed to believe that he had labored under a temporary sustain and addressed under a temporary sustain and starvation. We did not combat his about to resume my seat, when my set was light, brilliant and gorgeous. A scene of unparalleled spleador, of subtentive way to the sound seemed to have proper. The contrast between this and "Giant's Hall" was complete. While in the latter everything is dark, weird and awful, everything here was light, brilliant and gorgeous. A scene of unparalleled spleador, of subtentive way in the latter everything here are always taking the lead in deba-ting societies, exhibiting a more extensive knowledge, a greater variety was light, brilliant and gorgeous. A scene of unparalleled spleador, of subtentive that he had labored under a temporary sustative combat his had labored under a temporary sustative combat his had labored under a temporary sustative from those rigid lips. Concluding us, and appeared to believe that he had labored under a temporary sustative combat his had labored under a temporary sustative from the latter everything here was light, brilliant and gorgeous. A scene of unparalleled spleador, of subtentive knowledge, a greater variety of subjects, and "Giant's Hall" was complete. While in the latter everything here was light, brilliant and gorgeous. A scene of unparalleled spleador, of subtentive knowledge, a greater variety of subjects, and correctness.

Who will denote the under start to the did not combat his had labored under a temporary sustainum d'Giant's Ha

There were six of us seated before blazing for which cast a general week of the suddenly upon a strange and mournful scene. Before us stood a small, ed to circulate in the air for an inwretched-looking fut, evidently constant and died away. Again it arose, a blazing fire which cast a generous glare into the otherwise unlighted glare into the otherwise unlighted labor, unglezed and without a chimber of stairways will be required. Wretened looking sat, evidently consigned to such coming from a point directly over our trees, a writer in a Western paper accessible. Several bridges and a consigned to the same port. The took the measurement and height of number of stairways will be required. Weather was fair with slight head
