This, I was sure, was a simple of my visit, I thought it would not be ing it in a simple way, they went back, both of them, on the plan, and laughed as if the words I had just of remaining over till morning. No back, both of them, on the plan, and laughed as if the words I had just, spoken were the very best joke in the world. I could do nothing of course but look grave and solemn, which with the both to looking in the same way; and then May spoke to me seriously, and said, "coursin Jane, you take our laughing much more seriously than I though than I though the like when the state of the laugh To us it is a dr.dl to the best of my recollection, the reword of the membrance, but perhaps, in telling it, there would be nothing to among any one."

The explanation brought back my good bumor in an instant, and, with a some portion of my garments that some portion of my garments that a mount to awaken me to the fact.

The explanation of you for each of the mellow the consti

with, "No, Charley, that is really too bad. You shall not do it, sir. If cousin Jane is to have that story I will tell her myself." And then after a pause she said, "when we are after a pause she

response. "You shall do no such thing This time I shall have my sistance in my power to the unprosent own way, and cousin shall not have her curiosity excited any more without being satisfied."

I saw there was to be a discussion on that point and I knew, in some way Charley was to come off victor, so I, merely saying that I "would be back in a few minutes," stepped on that while the beds were apported to the more and that with sometwenty more of the mone gender, I must be content shall not have of the mone and that with sometwenty more of the mone gender, I must be content shall not have a back in a few minutes," stepped on that with a chair, while the beds were apportated by the gentle sex. Slighting and looked out upon the night. It was sure the point was settled, when I went back and found Charley and May as happy as birds and langhing, as usual. As I

was settled, When I went back and dooked out upon the night. It was found Charley and May as happy as a beautiful moonlight ight and birds and inguing, as usual. As I entered, Charley drew up the rocking on to ten o'clock. By Jove I was just five years ago this summer half was granted exemption for a month from my diek, and done in the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the upon the single is trilled and in the sum of the single is trilled and in t ace's town sisters Carrie and Nettic as having participated in all these sports. They rode, to be sure, and charmingly they did it; they fished and I am obliged to confess they were much lockier than their guest. But they did not shoot, though I will not exult over the lack of this accomplishment—they were really charming enough without it. I am sure that I shall not excite jealousy by declaring that with one exception, which I shall not excite jealousy by declaring that with one exception, which I shall not mention here, Carrie and Nettic Hyatt were the most charm—

around the house until it rots the vis, Allison, Vcrhees, Representatives Garfield, and Stevenson. The sad procession moved to Oak Hill came and a Stevenson. The sad procession moved to Oak Hill came and a Stevenson. The sad grass seed, or to try to live without a graffel, and Stevenson. The sad procession moved to Oak Hill came and a Stevenson. The sad graffeld, and Stevenson. Th

not one morning, as I entered the breakfast-room heard the startling words from Nettie:

"And so she is coming at last! I answered yes.

"Well then Mr. Morgan," said the figure, by this time calm, and with quite as much dignity as in a drawing room, I am May Stevens and I was that moment I cannot say; but I horse had gone over to saw Carrie with an open letter in her hand, and coupling it with Nettie's words, I knew that the bitherto only heard of May Stevens the incomparable May—was to spend a month at Hyatte, and they were to expect the Hyatte, and they were to expect the read, she might not be down for a week to come. A week—it was an age, a century, and I was in a say, and the was a spendative of the sand when the comparation was an age, a century, and I was in a say, and the startling to the sand was not to relieve the startling to the sand was not to relieve the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling of the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling to the sand with a superlative and the startling that the startling of one can appeal to the sand with a superlative and the startling that the startling that the startling of the sand with a superlative and the startling that the startling an age, a century, and I was in a she—she by this time was as eool as let.

ration, for Catrie was forgotten in an of my being in that extraordinary instant and my whole mind was ab- position. It was a lame explanation, There was always a mystery hange sorbed in making the best figure post wonderfully mixed up with irrelevant ing about a certain way that Margan sible before this new queen. With matter, and stammered, and surfer-bad, and in which he was always this idea I began to look into my ed through in a way that should juined housestly by his wife—my own wardrobe. I had come down with hay disputed not remained.

consin, May Stevens, that had been—
a way that iroubled my conjusty so much until the eventful evening that I was satisfied by bearing the reason why.

It was simply this: That every time a word was spoken that led to the normal and a word was spoken that led to the normal and a wind makes. Charles and considering during the rectal and at its end, locking at me as though asking the most simple question in the world said, 'what's to be done?'

Let me jump out of the window within fifteen minutes after hearing as I came in,' said I in a sickly tone the normal and of voice for the thought arms. the period when Charley Morgan the announcement of her coming and of voice, for the thought came to me first met my cousin May, they would before two hours had gone by, I was to achieve the same. I must make both laugh heartily, but always refuse to tell at what they laughed. This was certainly very provoking,
and I had little hesitation in telling fered at the shrine of May Stesome desperate display of myself in a style of costume which I deprecated the shrine of May SteShe relieved me instantly. No.

them so not once, but many times vens.

I had absented myself on a sudden moving ab at and you will be seen ing each other and looking very affection and faith- fit was now my turn to stammer fully promised Nettie and Carrie that out, 'What's to be done?' For I saw

matters, was my first idea, and with this thought I dashed boldly out with city rooms, and for six hours I dressed. Compared and redressed, compared and redressed, compared and rejected and selected; and at the end of that I was really in earnest. "Mr. Morgan, why do you always laugh and look at May, when the subject of your first meeting with her is spoten of?"

This, I was sure, was a simple
