SEMMER CATALOGUE & PRICELIST JUNE 1, 1879.

Every grade of Coffee quoted in my Price List is cheap at the peles—from that quoted at 12% events, to my celebrated Ferrica or Daraconace. I will, at any time, prove this by showing (if requested) the Coffee in its green state. To those who desire something very timey, I recommend my new Firmen Corrent; which is, with the exception of the celebrated Daraconace, (which has no equal.) the finest Coffee in the market. The demand which has sprung up for it in the last few weeks is sufficient proof of this. The Bro Correct on weak, strong and fine flavored, fresh and carefully roasted—being remated on Tuesday and Thursday of each week.

On this price list, I beg to call attention to the following
