slight showers during the day and Satur-day it ceased, having rained just sufficient tion, you could not have avoided being amused over the conduct of the Democracy of this place and surrounding country. a fact accomplished, we wish him and his lovely bride joy unbounded.

There are a larger number of fairs held this season in Pennsylvania than ever before in any one year, the people seeming to have waked up to the importance of these friendly competitions in producing the best fruits of the farm, and thus testing the relative merits of implements and manufactures. We estimate this increased interested as an evidence of an important step lets them pass along without saying a sinterest as an evidence of an important step lets them pass along without saying a sinterest as an evidence of an important step lets them pass along without saying a sinterest as an evidence of an important step lets them pass along without saying a sinterest as an evidence of an important step lets them pass along without saying a sinterest as an evidence of an important step lets them pass along without saying a sinterest as an evidence of an important step lets them pass along without saying a sinterest as an evidence of the farm, and thus testing upon his brow. After a battle resting upon the hopeful and discase, diphtheria.

Most of our public schools opened Monday morning. The Shanksville school is taught by Prof. J. J. Speicher.

There has been a large acreage of fall wheat sown this season; but it looks backward on account of dry weather.

Mr. Robert Braut's dwelling house is about finished. It will be one of the finest in town. Mr. Brant will move joto it this

within the knowledge of your correspond-ent, did the Democrats wear a more down-We see some swindlers have again been cast look, than since Ohio's verdict in favbeen duped into signing a note for \$210, branches of the government. They can

carry out their nefarious schemes in our Courts, one would imagine that the so-called sharpers have considerable wool over their eyes.

Inopetor an the during the Green campaign in Ohio.

They calculated largely upon the Green back vote, and they felt sure that Ewing would be elected by at least 15,000 majori.

Our friend J. H. Yoder, of Pleasant Hill, We made mention some time during the summer of a beautiful field of corn on Mr. Peter Heffley's Highland Farm, and it torns out that it was not only remarkable for its beauty, size of stock and prolific vield but also for the size of the corn of
