England, may use their novel vehi-

cle to the best advantage, it is desirable that they should also import

American roadsters and drive them in anaffles without blinkers or bearing reins, and in American harness. In an article lately published in New

York the question has been raised :

"Can American roadsters be introduced abroad?" The writer affirms

that nowhere in the world can so many 'fine eye-filling driving horses'

be seen as in Hyde Park and no-

where horses more destitute of good

and graceful action. He adds that

Englishmen have no wish to do their mile in two minutes twenty seconds,

but that, nevertheless, there would

be an illimitable demand in England for what are called in the United

States: "three minute trotters." The

use of the horse in England for pleas-

are-driving is said in the same article

to be "an after-thought," and in nar-

ness their horses are represented as

Webster as a Farmer.

LONDON LETTER.

(From our Regular Correspondent,)

LONDON, Oct. 22, 1879.
