brothers was in prison for man-slaughter, and the race was bad. The jury only brought in the ver-dict all expected when they brought in that of "Guilty of murder in the first degree;" and when asked what he could say in his own defense. Dan only answered: "How could any one believe that 1 could kill him ?" So Dan was condemned to be hanged by the neck until he was dead, and all the world said it was only what might be expected of Maonly what might be expected of Ma- wounded.
