A thousand men in gray uniform are the great attraction here to-day.

No single thousand men in one or with several of my classication and the leaders and setting them draw upon the Scriptures for illustra- all by Ob ervatory time. These No single thousand men in one or-

in imminent danger of capture. ed the personal thanks of President the man. Lincoln, Secretary Seward and Gen. Scott for its promptnes and energy.

THOMAS NAST. is a member of the Seventh, and has painted a fine picture representing the march of the regiment down defility. One bottle of your Blood and would not make a graceful or be.

There is some talk of M. Paul Meu-Broadway on its departure, April 19, Liver Remedy and Nerve Tonic greatly coming appearance on a pole in the rice replacing M. Dequesnel as man-1861. It was a said but stirring day, and the scene makes a picture that appeals to all the grander impulses of our nature. Photographs of the picture, made by Fredricks, are on picture, made by Fredricks, are on the picture, was not in the picture, which is a number of the sails and they have taken it with satisfactory results, were trained in the picture, made by Fredricks, are on the picture of a serpent in brass. Any one coming appearance on a pole in the character of a serpent in brass. Any one could tell Mr. Speer that. And it is not likely that Mr. Speer means they have taken it with satisfactory results, which is appearance on a pole in the character of a serpent in brass. Any one could tell Mr. Speer that. And it is not likely that Mr. Speer means they have taken it with satisfactory results, which is appearance on a pole in the character of a serpent in brass. Any one could tell Mr. Speer that. And it is not likely that Mr. Speer means they have taken it with satisfactory results, which is the picture of the odeon. In the event of the odeon. In the event of the odeon that there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was none in the place and I thought there was n sale at the Fair. Mr. Fredricks has further given substantial evidence of or more widely known, and among the score have sat before his camera, difficulties. It does these things by an emblem suggests too much. It is mustache and beard intensely black. ago. It, was, therefore, simply the moving its causes. honest admiration of one of New York's best-known citizens for the Seventh which prompted the gift, but it was an act so unique and graceful as to richly deserve the special mention I give to it. And the all the other tokens of gratitude it has received from those whose property and lives it has guarded and defended in spirital forms. The sample bottle at 10 cents.

One of the next followed worth the next and the next and the next, and plain. Her face was very white and not one of them returned. The bar was deserted and the trade ruined.

The lampress at his side wore the Japanese costume, rich and not one of them returned. The bar was deserted and the trade ruined. fended, in critical bours, through all cific. One bottle always cures. For took a drink, and paid for it before he saw the curiosty. As his eyes faces, the Emperor especially showvanced across the Potomac, it again sale by C. N. Boyd. left the City on less than
