MARVIN and MARTINE.

The West Point tournament was

White curtains that were set

The whole proceeding would be tame

The military air, you see

And thus the notes don't agree

What was a small stone's further side

Twisting through, the one can spy

Which makes a claim to glory

The venerable joker died

No chance for any pass as yet

The noisier the crowd the more

And in the end of the day

It might be well, if it appears

As in the end of the day

It might be well, if it appears

As in the end of the day

It might be well, if it appears

As in the end of the day

It might be well, if it appears

My horse saddled and hitched to
