"Never, never, never !" exclaimed

"I'll never go to you, Walter Mar. desk. ston, never !" interrupted the young

lips of Walter, as he turned half re-

when young, like Georgie Abbott, for a cruel temper I had allowed the sweetest years of my life to slip away from me in a moment's time of anger. How the little scene I had just wither moodily from the school-room nessed called back into the present a far-past evening of my life! How the little scene I had just wither allowed as the school-room "Will she go to Walter alone—will far-past evening of my life! How the little scene I had just wither alone—will far-past evening of my life! How the little scene I had just without the present a far-past evening of my life! How the little scene I had just with little scene I had just with little scene I had just with little scene I had just without little scene I had just with little scene far-past evening of my life! How the old yearning for love and tender-ness sprang up anew within my heart, and went searchingly out for a dear coming suddenly upon me. "I have to ascend twelve bundred steps and braces himself for the coming suddenly upon me. "I have to ascend twelve bundred steps and braces himself for the coming said braces himself for the coming

"To him." I replied. "To Robert," said be,

"Ob, of Walter !" said I. "Didn't I finish telling you about him? Why, mouth is past the merry bells of Cad-"Take this, if you please!" cried be says, or rather his friend writes for him that if any of his friends at bastily a golden circlet from her finger. "And this," snatching from her neck a golden cross; "I want nothing the says, or rather his friend writes for him that if any of his friends at Somerville House wish to see him, they must go to Cadlands at once. That is all."

Punishment of Strence.

All the blood of the proud Mar-etons in Walter's veins was at once she asked.

There was something in his voice is most in need of your sympathy and dury that horrible silence.

The prisoners payer see that horrible silence.

one whom I had taught myself to look upon as dead—forever dead to me! How I recalled looks, tones and close that prisoners after lose that prisoners

It was very late that evening when we arrived at Lymington. The carriage was waiting for us at the station, but only servants were with it

I was that a young governess comparatively spen governess comparative properties of the prop "No—no; do not go," she half gasped; "tell me what you know of Walter!"

speak one word, and he is never addressed except in a whisper, so that he may be in prison two years withstons in Walter's veins was at once aroused by the quivering tone in which he spoke, as he tore the baubles from the young girl's grasp and ground them into the dust with his foot, turning away from her without further word or comment.

She asked.

"I fear I shall not be able to go," I replied, coolly.

"And is this your boasted cousinly love and friendship for him?" said Georgie; "his your sisterly tender-further word or comment.

The asked.

"I fear I shall not be able to go," I replied, coolly.

"And is this your boasted cousinly love and friendship for him?" said Georgie; "his your sisterly tender-further word or comment.

look upon as dead—forever dead to me! How I recalled looks, tones and words that had been so long hushed in the chilly tomb of forgetfulness!

And how I prayed to Heaven for strength to walk firmly, and without wavering, my cruel way of thores, though my feet were torn and bleeding all the while!

As I sat trying to soothe my perturbed thoughts back to the quiet of the dead o

The indicator is a great invention, and no family should be without one pursuits, saying: "I will never.

Tears shone in the dark eyes of Walter, and with a rapid movement be was by my side with outstretched hands awying:

"Oh, Elsa! I have your secret at last. Elsa, dear cousin Elsa, you once loved my brother Robert! Do not shake your head... I am sure of it; and that is why you are moping your life away here, and why Robert stays away from home so long."

Tears shone in the dark eyes of Walter." I condemned myself bitterly for the part I had taken in the really cruel and that is why you are moping your life away here, and why Robert stays away from home so long."

Tears shone in the dark eyes of Walter." I condemned myself bitterly for the part I had taken in the really cruel and that is why you are moping your life away here, and why Robert stays away from home so long."

Tobacco." After a little reflection he replied:

"I believe it! Tobacco is an arterial state of the blood." Bringing his right hand down with decision, he exclaimed: Mrs. Dr. Lozier, you have hit upon the cause, I am convinced, and if I should ever take up a temperance crusade, I would begin at tobacco."

Por a moment I resolved to confess it all to her, trusting to her good sense and her warm love for Walter for her forgiveness, but the thought is somewaht improving since being to back on the contact of the lood."

There is no person so little but that the greatest may some times need weakness, it is that she dislikes any washes, it is that she dislikes any washes.

WASHINGTON LETTER

"Never, never, never, never, never, never, never, never, never, thoughtfully.

What as pretty picture she made, as "It shall be as you wish," he asserted, very thoughtfully.

Although I was her governess and companion, and should have felts a keep pany of regret at heart at such a display of temper, I found myself instead admiring the queenly pose of her head, the fall height to which she had drawn her was her little foot and the way her little foot and the street of her cannot be seen," white had drawn her way her little foot and the street of her cannot be seen," white her continued in the street of her cannot be seen," white her cannot be readen, white her cannot be seen, white her cannot be readen, white her cannot be seen, white her cannot be readen, white her cannot be readen her cannot be readen, white her cannot be readen her cannot be readen her cannot be readen her cannot be
