this country were circulated through out the extent of the land, and the tie was persisted in, stuck to, and "Honest Old Jake" Elect- States Senator its circulation continued after the forgery had been exposed, its author hunted down, and together with the publisher of the first paper issuing it, arrested indicted, and the The Editor of the Demwhole notarious transaction complotely and thoroughly exposed in open court. Nor was their game or forgery and fraud confined to the Prosidential campaign.

In this district the lie was coined, published and circulated that our candidate for Congress had voted against the bill granting arrears of pensions to soldiers, when his opponent (Gen. Coffroth), with the record in his possession, will knew how base and unjustifiable was the falsehood. Again, thousands of afficiavits were sent throughout the district-purporting to be signed by one Jonas Conner, charging that General Campbell had declared to him that if elected he would stop the granting of pensions to soldiers, when in truth and in fact the affidevit of Conner on which the charge The Pension Bureau Busied mus based was a forgery, proven by the tratimony of Conner himself and several unimpeachable witness es, and yet well knowing the facts,
