The Tammany Democrats are howling fraud! fraud! The parsons of the New York thieves are elected.

SAM GRANT HAY—The Republicans gave us four years of war, which were four years of hell, and six years of peace which were six years of 4—nation, although they have given us ten years of it—H—ll and damnation. How will they thank Valentine class the next four years.

We congratulate the Republicans of Old Mother Somerset on their "superb" victory. Comparisons among friends are odious, therefore we make none. Where all did so well there is no room for invidious distinctions. Look at the table of returns and rejoice over the glorious result. The old County jumped herself in days of yore. There she stands, God bless her, with a Republican majority of 1650 inscribed upon her brow. Nobly has she vindicated her honor, beset by traitors in her camp two years since. The fight was a desperate one, but our forces were gallantly led—and just here we call for three cheers and a tiger for "JOE KELLER" the indefatigable, sagacious, unflinching Chairman of the County Committee. Misrepresentation, defamation, forged and false affidavits, wholesale lying and the unskilful use of money and of threats, with lavish promises of office in case of Hancock's and Coffroth's election were the means resorted to by the enemy. All however were in vain. The Republicans of Somerset County can neither be bamboozled, scared or bought, and they repudiated with scorn the voice of the slanderer, the backster and the tempter. True, a comparative few of the weak-kneed and the venal succumbed to the temptations held out by General Coffroth and his subordinates, and deserted to his standard. In the utter route of his forces they hope to escape detection, and are attempting to struggle back into our arms, with the Garfield banner in their hands. Close up the ranks solidly, men! There is no room now for deserters in our line. Let them go where they properly belong. We want no camp-followers in the rear of our victorious host. Snuff the Spanish proverb, "If a man deceives you once, shame on him; if he deceives you twice, shame on you."

AGAIN for the sixth time has the Nation entrusted the Republican party with power. Pledged to the principles of nationality, honesty and equal and exact justice to all classes, it has proved its faith by its works, and the people repose upon it with confidence.

What need to say more? The Great Republic understands herself and she will continue in power the party that saved her life and her honor, so long as that party is true to its principles, and until the last vestige of rebellion is eliminated from the party that sought to slay her.

With the election of President Garfield the Nation enters upon a magnificent future. He is a man of the largest culture, schooled by long experience in the affairs of State, fitted in every way for the great office he has been called to fill. No fears for the public credit, no dread of insane tampering with the currency, no apprehensions of a financial revolution will disturb business circles during his administration. Our bonds will all be funded, at a lower rate of interest, our public debt will be steadily and rapidly reduced, and our industries knowing no fear of adverse legislation will seek all the markets of the world for their prodigious products. All citizens can confidently claim equal rights with the full assurance that they will receive them: the South will be taught that the rights of free speech and a free ballot must be respected, and the Nation will be made to rejoice that in every deed, liberty prevails throughout the land.

We know that the struggle will be sharp, perhaps prolonged, but we are certain of the result. Entrenched as the Southern States are by

hind the doctrine of State sovereignty (that sucking mother of nullification and rebellion) they will first desperately and defiantly set at naught the councils of wisdom, and valiantly determine to "fight it out on that line"; but with cooler blood will come deliberation, and we trust a frank acceptance of the situation.

A solid South, a standing menace to the Union, has again gone down under the fire of a solid North. The battle of ballots has ended for this year as disastrously as did the battle of bullets. We have torn from the Lower House its sole dependence, and we have neutralized, if not redeemed, the Senate from Democratic hands.

Instead of a solid representation in the House, we have gained on it largely in its boasted stronghold, and he is blind indeed, that cannot see that the South is no longer solid, and that the knell of Southern domination has already struck. There must and will be freedom of speech and freedom of voting throughout this great Republic, and thank God, this victory assures it in the near future.

We congratulate Republicans everywhere on this sixth Presidential victory of our party. It is the assurance of the people that they are too intelligent to be deceived by lies, by forgery, or by slander, and too honest to be bought. The march of the party is onward and upward.

Three of the Greenbackers are in classed as Republicans and one as a Democrat.

FLORIDA. LAKESIDE, November 3.—Florida votes for Hancock and elects Democratic candidate for Governor and both Democratic Congressmen. The Legislature is also Democratic.

COLORADO. DENVER, November 3.—Forty-nine towns and precincts, covering about one-half of the State, give Garfield 2,849 majority. The balance of the State will increase probably these figures.

MASSACHUSETTS. BOSTON, November 3.—With 28 towns to hear from, the returns up to three o'clock this morning give Garfield a plurality of 49,107. The Republicans carry every Congressional district in the State excepting the Fourth, and that is in doubt.

TENNESSEE. NASHVILLE, November 4.—There is no doubt of Hawkins' election as Governor.

KANSASVILLE, November 4.—Later returns from the First district elect Pittsboro Republican, over Taylor, present congressman.

CONNECTICUT. HARTFORD, November 4.—The legislature will have a Republican majority of 95 on joint ballot. Gen. Hawley will probably be chosen to succeed Senator Eaton.

MISSOURI. ST. LOUIS, November 3.—With five towns to hear from this State gives Garfield a plurality of 2,867; over the majority of 1876, 1,898; over the majority of 1874, 1,898; over the majority of 1872, 1,898.

WEST VIRGINIA. CHARLESTON, November 3.—The vote in West Virginia will not be materially changed from that in October. The Republicans make slight gains in most of the counties heard from. The plurality for Hancock over Garfield will not exceed 14,000; if his actual majority in the State will not be over 5,000 or 6,000. If indeed it will reach that figure, there is no doubt about the election. Howe, Democrat, for Congress in the Second District, and Kenna, Democrat, for the Third District, but the vote in the First District is so close that it will take the official count to decide it. The Chairman of the Republican State Committee claims the election of Hutchinson (Rep.) by 160 majority, and a great many well informed Democrats are convinced of Hutchinson's election. It is evident that the vote cannot be over 100 majority either way, and the chance for one are just about as good as for the other.

SOUTH CAROLINA. COLUMBIA, S. C., November 3.—The Democratic State Executive Committee have advices from twenty-two counties showing majorities aggregating about 2,000 for the Democratic State and national tickets. The result in the State will give Hancock a large majority, and we trust the Congressional ticket.

IOWA. DES MOINES, Iowa, November 3.—Garfield's majority in the State is \$8,000, a gain of 26,000 over last year. All Republican Congressmen are elected.

MISSOURI. ST. LOUIS, November 3.—The latest returns indicate a Republican majority in this State of 287,000. The Democrats carry all the Congressional Districts.

NEBRASKA. OMAHA, Neb., November 3.—Returns from the State come in slowly, but it is only a question of the size of the majorities. Garfield will have not far from 25,000, and the State ticket about the same. The Republicans elected three-fourths of the Legislature. The Greenback vote is less than that of last year.

RHODE ISLAND. PROVIDENCE, R. I., November 3.—The complete returns from Rhode Island give Garfield 18,188; Hancock, 10,784; scattering 141; majority, 7,263; over the majority of 1878, 11,547; over the majority of 1876, 11,547; over the majority of 1874, 11,547; over the majority of 1872, 11,547.

KENTUCKY. LOUISVILLE, Ky., November 4.—Official reports from seven counties show Republican gains in six of them. Republican gains have been very general. The Democratic majority in the city, with a full vote, is reduced from 7,992 in 1876 to 5,200. There is no doubt of the reelection of Kentucky's entire delegation in Congress, which is solidly Democratic.

NEW HAMPSHIRE. CONCORD, N. H., November 3.—The vote of 115 towns for Garfield, 27,648; Hancock, 25,198. The same towns in 1876 gave Hayes 25,114, Tilden, 24,681; a net Republican gain of 1,252. The gubernatorial vote of 160 towns gives Bell, Republican, 27,412; Jones, Democrat, 24,905; scattering, 478. The same towns in 1878 gave Hild, Republican, 23,414; McKean Democrat, 23,418; a net Republican gain of 1,896.

NEW JERSEY. TRENTON, N. J., November 3.—The Legislature is likely to be very close on joint ballot, with the probability that the Republicans will have three majority.

TRENTON, N. J., November 3.—Both parties agree that Lulow, Democrat, is elected Governor by from six to twelve hundred majority. The Republicans have nine majority in the Senate and eight majority in the House. The net gain of the delegation is the same as last year.

OREGON. NEW YORK, November 3.—The Republican National Committee received the following despatch this morning:

PORTLAND, Oregon, Nov. 30. To S. W. DORSEY. We have unquestionably carried Oregon by from 500 to 1,000 against the best organization and most determined fight ever made by the Democratic party of this State. JOHN H. MERRILL, J. SIMES, GEORGE A. STEELE, DELAWARE.

WILMINGTON, November 3.—Returns from all election districts in the State except one in Kent county, the majorities of which are estimated upon the vote at the election last September, show a Democratic majority of 1,045. Two-thirds of the Legislature is Democratic, insuring the return of Bayard to the Senate. The Republicans elect their whole ticket in New Castle county by a majority of about 100.

MAINE. PORTLAND, Me., November 3.—Very few returns have been received to-day. Two hundred and nineteen towns give Garfield, 55,267; Fusion, 45,794; Weaver and others, 2,023. The same towns in September gave the Republicans 55,267; Fusion, 45,788; scattering, 2,023. The Republican majority in the above towns is 7,550 against 4,332 in September, a Republican gain of 3,218, indicating 4,000 majority.

MINNESOTA. MINNEAPOLIS, November 3.—Returns as far as received indicate that Minnesota has given Garfield a majority of at least 25,000. General Wallace, who was elected to the Senate, was contested by Dummally. He is overwhelmingly elected, leading his competitor, General Sibley, by from 8,000 to 10,000. General Washburn carries this city and county by something over 4,000. The Second and First and Third districts are both elected, each by about 4,000 majority.

NEW YORK. NEW YORK, November 3.—Hancock's vote in New York City is 123,102; Garfield's 131,730; Hancock's majority, 41,776. This is a total vote of 225,000. Tilden had 58,000 in 1876 on a total vote of 171,000. Hancock's vote is 101,811; Dowd's 98,414; Hancock's majority 3,297. The whole Democratic county ticket is elected by a small majority. The increase in Hancock's majority in the city to 41,000 from the 33,000 estimated last night, will reduce the Republican majority in the State somewhat. It looks now to be somewhere between 20,000 and 30,000.

NEW YORK. NEW YORK, November 3.—Hancock's vote in New York City is 123,102; Garfield's 131,730; Hancock's majority, 41,776. This is a total vote of 225,000. Four counties show a Democratic gain of 1,436. A Republican gain in Hamilton, 1,147. This added to Foster's plurality, will make Garfield's plurality in the
