my dinner, when I saw you.

And when the stars came, one by one

And hardly with surprise

Oh, all forlors and riderless, Stained with his master's blood. With burnan serrow in his book,

There should that morning by the gate

And wished to be in years to come,

As grand a knight as be.

Like noises in a dream,

The roar of fighting from afar,

The dashing of a stream;

The facts could not sleep;

She heard the water leap.

She feared the shadows in the room,

The day ight lingered ere it came,

All day the life eclases brought,

A little page to see,

The tady did not speak. She came Heart the inter to stand; She kissed the bridle where the knight Has held it in his hand;

He hard and trembling stoods

And all that say she longed and feared To near the seldier tread, When they came marching up the glen To bring the knight home dead.

She wished the women would not wall; Sinchoped that she might the She longed to be the little page, Who lift is mostly to cry, Sanan O. Jewerr, in Harper's Magazine
