tration, it shall have a brief answer, plain year-old, this can be set down as a mounsiring tickets can see Mr. Fritz every Friday, at the Jones House, from 3 to 5 p. m.

There is a statement going the usual round, to the effect that a man was recently killed by a panther, near Penfield, Clearlield county. The men in a lumber camp leard a cry for help, and on going a short integer of the state of th and unmistakable. The whole statement is tain of flesh, and it is probably the largest distance from the camp, a man was found malice had not outran his cunning he would as also at his market on Morris street, withlying on the road, a lighted lantern stand- have seen that his lies were so utterly im- out extra charge. Mr. Gardner deserves in an hour. The severe weather has made the officials whose salaries more than eat up the C. Railroad and the enbankment of the wild animals hungry and fierce; but whether the story is true, we are not prepared to the district was composed of nine counties, the old Hansman brewery, and running while he estimated the collections from this one alone, and those from only one source of revenue. He knew that the office force here kept all the accounts, records, etc., etc., etc., weeks, as the "dumpy train" of the Cambria for the entire district, there being but three deputies to the other seven counties, and he deputies to the other seven counties, and he knew nothing of the salaries paid except.

Iron Company and other refuse has allowed for ready reclaimed a large scope of what would live the total ready ready

uttering a lie. We are not at liberty to lay the government accounts before the public at the call and underlaid with valuable veins of coal of every knave who pleases to lie about ent of Common Schools is the next event and it store. They are pushing their mills them, but we will explode this tissue of lies with a single item. He places the annual receipts in this county, at \$13,567.52, when in fact, the receipts in this office alone, for a single month of the present year were over \$18,000, from the entire discrete for the same month were \$25,000, and for the year will largely exceed \$200,000.

Now, the effigy of a man who published Now, the effigy of a man who published space for the employment of a large force of the same month. The most direct and pleasant route to the East and South via Washington City.

Through Maillewing at 19:31 a. M., daily, arrives at Washington at 9:35 a. M.; Baltimore, 19:35 p. M.; Philapelphia 3:10 a. M.; Baltimore, 7:40 a. M.; Philapelphia 3:10 a. M.; Baltimore, 7:40 a. M.; Philapelphia; 1:15 p. M.; N. Y., 4:45 p. M. alone, for a single month of the present year were over \$18,000, from the entire dis trict for the same month were \$29,000, and for the year will largely exceed \$200,060. "Central" spared neither pains nor money in this false statement, knows that annually the Secretary of the Treasury makes a de tailed report of the entire receipts and exmain line of the B. & O. Road, will be transpenditures of the government, as does the Commissioner of Internal Revenue. These reports are distributed broadcast over the land, and any citizen desirous of knowledge can by reference to them ascertain to the last penny the salary of any official in its employ, and every farthing collected and the source from which it comes. In the face of these facts, and when the truth can so easily be arrived at, the man who would deliberately and maliciously attempt to bring odium upon the government and falsify the record for the purpose of petty personal revenge, is sufficiently characterless

bor, or besmirch a woman's fair fame with STONYCREEK, February 26, 1881. EDITOR HERALD : Mr. Smith of the Mey- erection of a freight depot on the property ersdale Commercial seems wonderfully tick-led at "Regular's" inconsistencies. He ex-known as the "lumberyard," and the plans known as the "lumberyard," and the plans public sale on the premises, en plains in this wise : "In its issue of last have been prepared for the building. An week the HERALD said that "Regular's" communication was not in time, etc; in other them will leave here Thursday and return newspaper fraternity in Pittsburg, as well words it was in, but too late to get into as throughout the western part of this state, type. GILLIAN H. WALTER, the first part, and will be found even more March 2, Surviving Executor of J. J. Walter.

A UDITOR'S NOTICE. rels to the author's reputation is not doubtrels to the author's reputation is not doubted by anyone who has read it through.

"Ericsson's Destroyer, and her New Gun," is the subject of a paper, by Mr. Charles Barnurd, which has the advantage of presenting the first drawing of this long-expected piece of armament, with some fresh details. In 'Musical Possibilities of America," Mr. Theodore Thomas writes practically of vocal and instrumental culture, church and theater music bad and good methods of teach-

Mr. Smith that there is nothing wrong with our optics; nor have we ever been afflicted with that other disease which enables one to see imaginary objects. The editor of the Herald can take care of himself.

The object of these immaculate reformers,

Attorney for Petitioners, McKeesport, Pa.

Friday, March 11, 1881,

o'clock A. M., on the premises, the building of the abutiments for an iron bridge over Coxes Creek, where the Somerset and Bedford turnpike crosses said stream in Somerset borough. The superstructure to be of the low truss patern; extreme length 35 feet, with a 20 foot roadway. Sealed proposals for the iron work will be received at the Commissioners' office up to 1 o'clock r. M. of said day.

April 15, 1880, Geo. Bennings:

DISSOLUTION NOTICES.

As I was away from home when this surprise occurred, I take this method of thanking the kind donors. Many thanks to all
who have contributed to this donation, and
may you realize of a surety that "it is more
blessed to give than to receive."

W. M. Spanoler.

Township, deceased.
