St. Locis, Maich 10. The Report of amounts and locked out on the far the whole and locked out on the far and locked out on t river, over whose placid bosom we were moving so swifty, there rose from my heart a glad, silent hymn of rejoicing.

But suddenly a cry broke from the cabin behind me that effectually changed the current of my thoughts.

"Fire! fire!" A horrible cry at all times, but most horrible of as they galled her, was really a bride.

"In bound to have it if I have to sell my hat!"

"He didn't get it very strong, but he did no more crowing while the meeting lasted.—Wall Street Daily News.

"Fire! fire!" A horrible cry at all times, but most horrible of all times, but most horrible of all when it rings forth in the midst. of as they galled her, was really a bride.

"How she Saved Money."

"How she Saved Money."

chairs and tables and settees in their fiery embrace.

As well seek with sieve to scoop up the waters of the great river on which the Mobilia floated as to try to subdue the rearing, devouring encay that had seized upon the ill-fated steamer.

The people darted down from the blazing, upper cabin to the ferward deck below where as yet the foe had made but little headway, and there are well after the rear arrived, and after that but made below where as yet the foe had made but little headway, and there are well after the rear a fill the rear thouses seattered sparsely along the river bank, and that from these notices of the disaster would be sent to the nearest town. And so it town the nearest town the nearest town. And so it town the nearest town the nearest town. A deck below where as yet the foe had made but little headway, and there our brave captain—who was that rara avis, "the right man in the right place"—succeeded in partially quelling the panic.

Steamers arrived, and after that but nouse, and the inmates may dress to yoke his exen, and the cow wakes in the lightest of garbs, which contrast oddly with the mass of furs and wraps which they don when going adventurous wedding trip at an early of the dust in which he ourselves safely at home and our wraps which they don when going out. A Russian can afford to run no risk of exposure when he leaves awake, and yawns and looks about the formation of the following the panic.

"Go ahead."

"Well, my cle woman swars she's gwine to leave me. We can't get on wraps which they down from the peepul tree, only half awake, and yawns and looks about his house for a walk or drive. He him the cow wakes are well and shakes off the dust in which he gwine to leave me. We can't get on warps which they down from the peepul tree, only half awake, and yawns and looks about his house for a walk or drive. He him the cow wakes are well and shakes off the dust in which he gwine to leave me. We can't get on warps which they down from the peepul tree, only half awake, and yawns and looks about his house for a walk or drive. He him the cow wakes are well and shakes off the dust in which he gwine to leave me. We can't get on warps which they down from the peepul tree, only half awake, and yawns and looks about his house for a walk or drive. "Keep quiet," he ordered, "keep any means. The terrible pervous distribution of I strain I had endured combined with limit for the leaves and show your love covers his head and ears with a fur scratches himself contemplatingly. For her." quiet, and stay where you are, or 1 strain I had endured combined with will not answer for the lives of any of you. The steward will provide threw me prostrate on a bed of sickof you. The steward will provide every one of you with life preservers, but there is no reason for anyone to go overboard—not yet awhile, at any rate, unless suicide is desired. Keep quiet, I say. Pilot, head her straight for the land, half a mile straight for the land, half a mile straight for the land, half a mile ahead." We were at least twice that distance from the shore. "Engineer, the steamboat contrary had yoted the steamboat contrary had yoted to give the ordinary and they all yawn and look about and scratch. But they are sleepy to the knees; he next cloaks himself in an ample top-coat with fur collar to think life dull. Yet the toilet has to be performed, and whether they ble, but the minnit I begun to craw-like it or not, the young ones are fish, de ole woman began to get sasahead." We were at least twice that ing my order. Not only this, but gloves of sear of bear skin. Thus distance from the shore. "Engineer, the steamboat company had voted put on all steam—crowd her on!— we will run a race with the foul when the steamer of pilot of the finest steamer of the steamer of bear skin.
