TEEL,

Its Mold Board will outswar three of the very best kinds of the ordinary steel mold boards.

It will seem in sofis where all steel plows and all other plows have nitherto proved a fall of the plows have nitherto proved a fall of the plows have nitherto proved a fall of the plows have not been accommodated in new styles chow will be and Jofater.

With this town will be and Jofater plants, and which are also a great improvement, both as regard, wear and strength.

The Jointer can be shifted so as to the rore or less land, and it can always be keep to the can always here put the plants and strength.

The beam is adjustable for Spring or Wall Plowing, and also for two or there horize. The handles can be adjusted to accommodate a man or boy on the same Plow.

It is the lightest Draft Plow ever made.

Vocaden beams are going out of use because they shrink, awell, and when a very not two seasons allow have been as the accommodate a man or boy on the same Plow.

A Steel beam is the necessity of the day. It is three times as strong and very much dighter than any other size. When we say a Moll Board is chilled, the Paraness know it is say.

We do not pulm off on them a composition of various inotals and earl it chilled exist.

We can give but a very small discount to them, but we will pay the Railroad Freight.

We propose to place this Plow in the hands of the Farmers of near the cost of an particulars as presented. It is the best Agricultural Implement ever said. It is the best Agricultural

FOR RESTORING GRAY HAIR TO ITS HATURAL VITALITY AND COLOR.

Ir is a most acrocable dressiner, which is at once harmlets and effectual, for preserving the halr. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It cheeks falling of the hair immed ately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vicion cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair The Vicion is incomparable. It is colerless, contains neither oil nor dye, and will not sail white cambric. It imparts an appecable and lasting perfume, and as no article for the tollet it is economical and unsurpassed in its excellence.

->TESTIMONIALS From H. R. Downes, M. D., Hammonton, N. J., Editor South Jersey Republican, My attention was called to FRANK SIDDALLS SOAP from an advertisement in my own paper, and its usein my house for nearly a year, according to the directions, has proved that its remarkable properties have not been overstated. For rounce, From Mas. H. L. KENYON, Northfield, Vt.
Ido my work with FRANK SIDDALLS SOAP in half the time and with no expense for Soan, or the arrang in fuel more than post-for it. I have no steam or sent from the wash, while the saving in health, clothes and labor can hardly be estimated.

on H. W. STANTON, 1906 N. 20th St., Philada. We are confident, from a long experience in using and recommending FRANK MEDITALLS SOAP, that one trial according to the very early and presented in the confidence of

The following are the Directions for Use, so simple that a child can under 3100 positively forfeited if it inforce the clother, or will not do an First, put the white clothes in a tub of water, only made warm enoufor the hands. Then take one piece out at a time on the wash-beard, rub the over it, roll it up and put it back into the same tab, and so on with enhave the Soap rubbed on them. Then go away and let them sock at least

without touching them, when the dirt will all be loosened, and a very the wash-board, out of that one sude, will make them perfectly claim, burn each piece while washing so as to get at the seams. They say him board, through a lukewarm rinse-water (without any Soap,) so as to got the Then put through blue-water, and on the line, without soulding or letter Afterward put flannels and colored pleess to sook, and wash them exactly the It is important not to heat the wash-water in a tin, brasser copper weeds. A will heat enough water for a large wash with this Soup.

Just Think What You will Save by this Easy Way of Washing No Wash-boiler! No Steam! No Smell of Suds through the E It has the remarkable Property of keeping the Dish-Cloth, Wash-D Sponge always Sweet, and of Washing Freely in Hard We ++ SOLD BY GROCERS
