a sight of your dear face will do Yours eternally, And the longest rent is mended;

One flake upon another, And the deepest snow is laid. So the little choral workers, By their slow and constant metlon, will he say to the original? Have built those pretty islands In the distant dark blue ocean;

ONE AND THEN ANTOTHER.

And the longest walk is ended ;

And the highest wall is made

And the noblest undertakings

By off-repeated effort

Man's wisdom bath conceived

Has been patienly achieved.

Then do not look disheartened

On the work you have to do,

You never can get through;

But just endayer, day by day,

Will prove to be a plain.

Think not of far off duties,

Resilve to persevere.

brother Hugh.

JEANS, REPELLANTS, FLANNELS, head of the unlucky off-inder.

"Rome was not built in a day,"

The ancient proverb teaches,

But of duties which are near,

And paving once begun to work,

A SPRING SHOWER.

The same sweet sermon preaches

Another point to gain,

And say that such a mighty task,

One step and then mother,

One stite? and then another,

One brick upon another,

And soon the mountain which you feared
