Never since time began has there been	downward tendency on the part of the "ma- chine." The farmers living along the shore of the Chesapeake bay are astounded at the large number of potato bugs that are wafted across the bay on the water from the eastern shore. They not only survive the voyage, but climb up on shore prepared to de- vour every green thing. All efforts to check their advance are futile. Though myriads are destroyed, as many more are contim- ously advancing—a tireless, ravenous horde, resembling in their work of destruction one of the plagues of Egypt. RENEW YOUR LEASE.—There are times m every one's life when energy fails and a miserable feeling comes over them, often mistaken for laziness. Danger lurks in these symptoms, as they arise from impure blood or diseased organs. Medical advice is expensive and often unsatisfactory. Par- horie Cheser Towie will work of the set of	prekistoric times         Our Democratic brethren had quite a lively contest at their primary election on Saturday. A family of four persons in, York coun- ty, was recently poisoned by eating apple batter which had been kept in a glazed earth- en jar. We are sorry to say that during the past week no work has been done in the way of completeing the fence around the cenastery. Why is this? It is now said that everybody has been mistaken in announcing the arrival of the locusts this year. They will not drop in upon us until 1885. The peach erop in this section will not be much to brag about this year. The cold weather seems to have been unfavorable for this delicious fruit. Never since time began has there been so many apple, plum, and pear blossoms as this season. If nothing happens them there will be an abundant crop. The summer schedule went into effect on the P. & O, railroad on Monday. We have	downward tendency on the part of the "ma- chine." The farmers living along the shore of the Chesapeake bay are astounded at the large number of potato bugs that are wafted across the bay on the water from the eastern shore. They not only survive the voyage, but climb up on shore prepared to de- your every green thing. All efforts to check their advance are futile. Though myriads are destroyed, as many more are continu- ously advancing—a tireless, ravenous horde, resembling in their work of destruction one of the plagues of Egypt. RENEW YOUR LEASE.—There are times in every one's life when energy fails and a miserable feeling comes over them, often mistaken for laziness. Danger lurks in these symptoms, as they arise from impure blood or diseased organs. Medical advice is expensive and often unsatisfactory. Par- ker's Ginger Tonic will renew your lease of health and comfort because it restores per- fect activity to the Stomach, Liver and Kid- neys, and purifies the blood, as men and women restored to robust health testify in almost every neighborhood. See advertise-	prekistoric times         Our Democratic brethren had quite a lively contest at their primary election on Saturday. The peach crop in this section will not be much to brag about this year. The cold weather seems to have been unfavorable for tai- delicious fruit. Never since time began has there been so many apple, plum, and pear blossoms as this season. If nothing happens them there will be an abundant crop. The summer schedule went into effect on the B. & O, railrond on Monday. We have not yet received a corrected time table, but will give it in our next issue. The Peansylvania Editorial Association will go to Long Branch next month, and	downward tendency on the part of the "ma- chine." The farmers living along the shore of the Chesapeake bay are astounded at the large number of potato bugs that are wafted across the bay on the water from the eastern shore. They not only survive the voyage, but climb up on shore prepared to de- your every green thing. All efforts to check their advance are futile. Though myriads are destroyed, as many more are continu- ously advancing—a tireless, ravenous horde, resembling in their work of destruction one of the plagues of Egypt. RENEW YOUR LEASE.—There are times in every one's life when energy fails and a miserable feeling comes over them, often mistaken for laziness. Danger lurks in these symptoms, as they arise from impure blood or diseased organs. Medical advice is expensive and often unsatisfactory. Par- ker's Ginger Tonic will renew your lease of health and comfort because it restores per- fect activity to the Stomach, Liver and Kid- neys, and purifies the blood, as men and women restored to robust health testify in almost every neighborhood. See advertise- ment.—Advocute. The first regular passenger train on the S, & C. railroad, between Somerset and Johns- town, left Somerset for Johnstown at 2	prekistoric times         Our Democratic brethren had quite a lively contest at their primary election on Saturday. The following is the vote polled in this township and borough :         Somerset township No. 1., for President Judge :         Baer, : : : : : : : : : : : : : : : : : : :	where the station is to be is the query. Samuel Gisal will "take the cake" and al- so wear the "belt" for trapping. He has caught 36 skunks, 26 foxes, and 10 raceoons the latter part of this winter. Who has done better? Sam not Sol is the "boss" trapper so far. Hooversville is on the improve; new houses are being built and old ones repair- ed. A new groceryman from Somerset, Ben- ford by name, has bought J. H. Smith's gro- cery. 'Err Sur. DIED. MILLER.—At his residence near Stoys- town, on May 3, 1881, Mr. Noah J. Miller, aged 56 years. A little more than a week before he was in towr, showing no signs of approaching dissolution. We did not know he was sick until we heard the word passing from mouth to mouth, "Noah Miller is deal." So sudden, therefore so sud—sick less than a week. He was a member of the United Brethren church for 38 years, and his grief- stricken widow and children comfort them- selves with the thought that this life, in which he found so much to trouble him, has ended only to admit him into a brighter life of uninterrupted joy in cternity. A family of four persons in, York coun- ty, was recently poisoned by eating apple butter which had been kept in a glazed earth- en jar. We are sorry to say that during the past week no work has been done in the way of completeing the fence around the cenastery. Why is this? It is now said that everybody has been mistaken in announcing the arrival of the loensts this year. They will not drop in upon us until 1885. The peach crop in this section will not be much to brag about this year. The cold weather seems to have been unfavorable for the delicious fruit. Never since time began has there been so many apple, plum, and pear blossoms as this season. If nothing happens them there will be an abundant crop. The summer schedule went into effect on the P. & O, railrond on Monday. We have not yet received a corrected time table, but will give it in our next issue. The Peansylvania Editorial Association will go to Long Branch next month, and will meet at the Continental Hotel, Phila- delphia, on the evening of the 20th. A sword, supposed to have been buried iters the seconductonere times was meently	downward tendency on the part of the "ma- chine." The farmers living along the shore of the Chesapeake hay are astounded at the large number of potato bugs that are wafted across the bay on the water from the eastern shore. They not only survive the voyage, but climb up on shore prepared to de- your every green thing. All efforts to check their advance are futile. Though myriads are destroyed, as many more are continu- ously advancing—a tireless, ravenous horde, resembling in their work of destruction one of the plagues of Egypt. RENEW YOLE LEASE,—There are times in every one's life when energy fails and a miserable feeling comes over them, often mistaken for laziness. Danger lurks in these symptoms, as they arise from impure blood or diseased organs. Medical advice is expensive and often unsatisfactory. Par- ker's Ginger Tonic will renew your lease of health and comfort because it restores per- fect activity to the Stomach, Liver and Kid- neys, and purifies the blood, as men and women restored to robust health testify in almost every neighborhood. See advertise- ment.—Advocute. The first regular passenger train on the S. & C. railroad, between Somerset and Johns- town, left Somerset for Johnstown at 2 o'clock Sunday afternoon. The following is the schedule on which trains will be run on this road for the present : Leave Johns- town at 10:20 a.m., arrive at Somerset at	prekistoric times         Our Democratic brethren had quite a lively contest at their primary election on Saturday. The following is the vote polled in this township and borough :         Somerset township No. 1., for President Judge :         Baer, : : : : : : : : : : : : : : : : : : :	where the station is to be is the query. Samuel Gisal will "take the cake" and al- so wear the "belt" for trapping. He has caught 36 skunks, 26 foxes, and 10 raceoons the latter part of this winter. Who has done better? Sam not Sol is the "boss" trapper so far. Hooversville is on the improve; new houses are being built and old ones repair- el. A new groceryman from Somerset, Ben- ford by name, has bought J. H. Smith's gro- cery. Err Sur. DIED. MILLER.—At his residence near Stoys- town, on May 3, 1881, Mr. Noah J. Miller, aged 56 years. ' A little more than a week before he was in towr, showing no signs of approaching dissolution. We did not know he was sick until we heard the word passing from mouth to mouth, "Noah Miller is deal." So sudden, therefore so sad—sick less than a week. He was a member of the United Brethren church for 38 years, and his grief- stricken widow and children comfort them- selves with the thought that this life, in which he found so much to trouble him, has ended only to admit him into a brighter life of uninterrupted joy in cternity. The funeral services were conducted by the writ- er, assisted by Rev. J. D. Wagner, of the Reformed church. 'A. K. F.	OF NILFORD TOWNSHIP.
