Ayer's Hair Vigor, FOR DESTORING CRAY HAIR TO ITS HATURAL VITALITY AND COLOR.

Ir is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though net always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vicen cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair The Vigor is incomparable. It is colorless, contains neither eil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

PREPARED BY DR. J. C. AYER & CO., Penetical and Analytical Chemists, Lowell, Mass.

who is not directly interested in having the WONDERFUL WAY OF WASHING CLOTHE smell and fearful steam on wash-days, makes to fannels softer than they can be could by wash

From H. E. Bowten, M. D., Hammonton, N. J., Bellior South Jersey Espekticon.

My attention was called to FRANK SIDDIALIS SOAP from an advertisement in my own paper, and its use in my honce for rearly a year, according to the directions, has proved that in remarkable properties have not been over-tained. For removing printing line it is invaluable, while for build and shaving it is the best Soap I have not seen

Ido my wash with FHANK SIDDALLS SOAP in half the that and with no expense for Soap, or the saving in fact more than pour for it. I have no atoms or secut from the wash, with the saving in health, clother and labor can hardly be estimated.

Prom E. W. STANTON, 1966 N. 76th St., Philinda. We are confident, from a long experience in using and recommending FRANK CODRALLA SOAP, that one trial according to the very easy printed directions, will overhoose all printed directions.

From Mas. H. L. KENVON, Northfield, VI.
