who is not directly interested in having used in their her WONDERFUL WAY OF WASHING CLOTHES, which does small and fearful steam on wash-days, makes the white place flamels softer than they can be made by washing the old we to do fine sawing and every article as clean, as sweet and as p

->TESTIMONIALS From H. E. Rowles, M. D. Hammonton, N. J., Ellior Such Jersey Republican.

My attention was called to FRANK SHDDALL'S SOAP from an advertisement in my own paper, and its use in my house for nearly a year, according to the directions, has proved that its recomminable properties have not been overstated. For remov-ing printing ink it is invaluable, while for ballet all d shaving it is tno best Soap I have ever seen. FRANK :

From Mas. H. L. KENYON, Northfield, VI.

Ido my wash with FRANK SIDDALLS SOAP in
half the time and with no expense for Soap, as the
seeing in fuel more then pege for it. I have no steam
or seent from the wash, while the saving in
health, clothes and labor can hardly be estimated. From E. W. STANTON, 1906 N. 28th St., Philinda.

The following are the Directions for Use, so simple that a child Dont do anything so ridiculous as to buy the Soap unless you i

24 \$100 positively forfeited if it injures the clothes, or will not de First, put the white clothes in a tub of water, only made warmen for the hands. Then take one piece out at a time on the wash-hour over it, roll it up and put it back into the same tub, and so on have the Soap rubbed on them. Then go away and let them sould without touching them, when the dirt will all be loosened, and a the wash-board, out of that one suds, will make them perfectly eleturn each piece while washing so as to get at the seams. Then wash board, through a lukewarm rinse-water (without any Seap,) so as to Then put through blue-water, and on the line, without accolding or a Afterward put flannels and colored pieces to soak, and wash them ease It is important not to heat the wash-water in a tin, brasser copper has

will heat enough water for a large wash with this Soap. Just Think What You will Save by this Easy Way of Washing No Wash-boiler! No Steam! No Smell of Suda through It has the remarkable Property of keeping the Dish-Cloth, Wall. Sponge always Sweet, and of Washing Freely in Hard Was - SOLD BY GROCERS
