FOR COUNTY COMMISSIONERS: ADAM S. SHAPFER, of Jenner Twp. JOSEPH HORSNER, of Somerset Twp. DANIEL KIMMEL, of Somerset Twp.

FOR FOUR HORSE DIRECTOR: DANIEL KIMMEL, of Somerset Twp. FOR SUPERVISOR: JOHN J. RHODES, of Somerset Twp. ISRAEL EMERICK, of Southampton Twp.

For the past several weeks the President has been passing through the ordeal of a severe illness. He has been confined to his bed, and his condition has been a matter of constant anxiety to his friends and the public.

The authorities at Washington have been very decided in their opinion. They have taken every precaution to prevent any attempt on the part of a mob to take the President.

It is believed that the President's recovery is now assured. He has been able to take his meals and is beginning to get about the room.

The following dispatches relative to the President's journey were received up to the time of our going to press: President left White House at 5:30 a. m., arrived at 6:15, left on special train at 6:30.

At the White House he raised his hand to the inmates who were watching him off. The removal had no effect on the President, otherwise than that the excitement caused a rise in his pulse.

BALTIMORE.—Presidential train passed Union Depot without stopping at 8:04 a. m. LANOKIN, PA.—Presidential train made run from Wilmington to Lanokin, 14 miles, in 14 minutes, then stopped for coal.

PHILA.—Presidential train passed here at 10:5 a. m. THE National debt was reduced during the month of August \$14, 181,221.32.

MINSTER FOSTER writes home that the wheat crop of Russia will be the largest ever produced in that country.

HOS. HENDERB B. WRIGHT, a well-known Democratic politician of this State, died at his residence, in Wilkesbarre, on Friday last.

It is estimated that there is now 7,200,000 bushels of coal in boats and barges at Pittsburgh, awaiting a rise in the rivers, for shipment, and the amount is daily increasing.

It is believed by good judges that the exportation of American wheat may be permanently estimated at an annual shipment of from between 125,000,000 and 150,000,000 bushels.

Both the Republican and Democratic Conventions of Blair county have nominated Hon. John Dean for President Judge.

The elections in Kentucky recently Mrs. Minerva Brushers was chosen Clerk of Letcher county, and Mrs. Emma Smith Clerk of Laurel county.

The Brooklyn Eagle, the ablest Democratic paper in New York, credits President Garfield with "qualities entitling him to be held in everlasting memory as a type of what is best and bravest in the American character."

There was no appreciable change in the condition of the President during the last week. Still, the longer his life is prolonged the more hope there is for his ultimate recovery.

Mr. Leadow, the Prohibition candidate for Governor in Ohio, has encountered what may be called a set-back. He is an enterprising manufacturer of cider mills and wine presses.

All the Western railroads are receiving proposals for plans to insure cheap clearing off the snow on railroad tracks. It cost the Chicago & Northwestern road \$200,000 to do this work last winter.

The authorities at Washington have taken very decided steps to prevent any attempt on the part of a mob to take the President.

It is believed that the President's recovery is now assured. He has been able to take his meals and is beginning to get about the room.

The Drought in the West.

CHICAGO, August 31.—A special to the Times from Eldorado, Ill., dated August 28, says: "It is nine weeks since rain has fallen here, and in consequence, the crops are nearly a failure. The wheat is almost unharvested. In some parts of the country there is much suffering for want of water, and a great deal of sickness of a typhus form is prevailing."

NEWARK, E. I., August 21.—About two o'clock yesterday afternoon Lieutenant B. Long Edges, of Washington, and Lieutenant Lyman G. Spaulding, of Portsmouth, N. H., were planting mines for harbor defense, in connection with the annual experiment which take place before the examining Board.

Story of a Timely Discovery.

On last Saturday morning the President was at his hotel and here he all hope of recovery had gone. Dr. Hamilton lingered after the morning death of the man, and made the discovery that the yolk of egg which had formed part of the emuncta administered to the President for several days previously had not been assimilating thoroughly, if at all, and was poisoning the system.
