Hox. Thomas V. Cooper, State practicing attorney in this county for twenty-five or more years, and been appointed Mr. Cessna's successor as Chairman of the State Censor on to one of these cases can be tried aganizer, a hard worker, and will cut some lively work for the boys.

Wolfe says he will have his there will have to be special courts of October. He will evidently have another district, for the trial of October. He will evidently have another district, for the trial of of October. He will evidently have another district, for the trial of all the anti-slavery society, thas arrange for twenty-five or more years, and the anti-slavery society, thas arrange date and the anti-slavery society, thas arrange date on the oath of office as President of the oath of oa campaign organized before the first held, presided over by a Judge from of October. He will evidently have another district, for the trial of all

it will be much cheaper for the peo de of this county to elect Mr. Cess-

There has been much complaint of the costs imposed on the county, THE NATION MOURNS and on parties litigant, by Judge Hall's habit of rarely reaching here efore Monday evening of Court reek, and his frequent adjournment week, and his frequent adjournment The Long Struggle efore the business of the week was ompleted, and this is being urged n favor of a "home Judge." But hose who know Mr. Cessna's prompt usiness habits, his quickness erception, decision of action, and JAMES A. GARFIELD PASSEI ireless energy, know that the only ear lawvers entertain is, that he will rush business too fast to suit ome of their dawdling habits. Mr. essna's promptness, and his fidelity o every businesss engagement are proverbial, and our people can rest sured, when he goes on the bench, hat the courts will be in session allotted for them, provided there is a sufficiency of business to keep the nachinery moving.

SPEAKING of the late Republican General Baily, the defeat of Senator Davies, and bolt of Charley Wolfe, the Honesdale Citizen hits the nail quarely on the head, as follows:

"The selection of Gen. Baily

lescribed by his opponents as 'machine" nomination. That is to say, the friends of the successful candidate were sufficiently numer ous to control the machinery of organization; hence they assumed the anagement of the convention, and selected the nominee. This, short, is a description of every nomination. Their opponents endeavored to gain control of the same machinery; and, if successful, they would have managed the convention and selected the nominee. This describes every failure of the kind. chine" candidate, means nothing except that his supporters were in a majority. Had his opponents been able to muster some forty more votes, they would have controlled the "machine," and Mr. Davies, inthe opponents of Gen. Baily would have seen nothing objectionable in a
