there all night. Afterwards, Dr. Bliss, whose room was adjoining, To-day Mrs. Garfield shows plainabout fifteen minutes before his the long and terrible struggle she has undergone. The physicians say that while she is doing as well as could possibly be expected under the circumstances, yet they are extremely solicitous about her health. Mollie is a delicate girl, and had been given only the most creasuring news about her father's washing washed to Swaim, what a terrible pain I have the lart of the time of his death. The doctors and his manners dignified. Said Mrs. Garfield was feeling much death. I stepped into the room to relieved since the autopsy, inassingly so, I remarked to General as could possibly be expected under the circumstances, yet they are extremely solicitous about her health. Mollie is a delicate girl, and had been given only the most creasuring news about her father's breast over the heart. The doctors health up to the time of his death. When she learned the front to death a said to Swaim, what a terrible pain I have which it struck the rib, while in yor Clay. Judge Brady stood on the bree,' and he placed his hand on his breast over the heart. The doctors and his manners dignified. The gas in the library was burning relieved since the autopsy, inassing the fact that the patient's death was ground. Old allegorical pictures inevitable. The doctor stated further that the point of the ball was somewhat blunt, or in a battered all was a white marble bust of Hendrican the fact has the fact that the point of the ball was of conquests and of triumphs. Somewhat blunt, or in a battered all was a white marble bust of Hendrican the fact has the fact that the point of the ball was condition, caused by the force with all was a white marble bust of Hendrican the fact has the fact that the point of the ball was condition, caused by the force with which it struck the rib, while in your condition, caused by the force with all was a white marble bust of the bullet and sealed it for preserment and the fact has the fact that the point of the ball was somewhat blunt, or in a batte says she paced the floor until mornshe fainted, and it was a long time ored man stood at the door. There before she could be restored. Her was scarcely a perceptible movement shealth is much affected by the anywhere on the sufferer's features

covered no pulsation. Mrs. Gar-field placed her head upon the chest, by Dr. Hubbell, his attending phy-sician, that he be informed of the She returned in half an hour and truth. This was done by Judge remained with her husband till 2 a. Nott. A burst of grief followed, but m. Dr. Agnew and myself and he is now bearing the trial bravely. Gen. Swaim remained for some time: he is now bearing the trial bravely, though he is still in a precarious condition. He was removed this Secretary Brown watched until afternoon to ex-President Hopkins'

The autopsy on the body of the president was made this afternoon, and was the most remarkable, perhaps one of the most thorough on field ever since he was shot, and who was the only one with the President was then discussed and agreed upon ident when he commenced sinking last night, makes the following state was my night to watch with them in all the consultations the President. I had been with him pertaining to the autopsy, every rescaled to attach his signature to the stance where a physician failed to file his diploma came up before the grand jury in the October term to follow the grand jury in the October term to follow the grand jury in the October term to follow the grand jury in the October term to follow the grand jury found an indictment against a tendants upon the President to have with them in all the consultations pertaining to the autopsy, every recall the file his diploma came up before the grand jury in the October term to file his diploma came up before the grand jury in the October term to follow the grand jury found an indictment against him for not filing a copy of his diploma with the county clerk, but the physician was discharged because the foreman of the grand jury found an indictment against him for not filing a copy of his diploma with the county clerk, but the physician was discharged because the foreman of the grand jury found an indictment against him for not filing a copy of his diploma with the county clerk, but the physician was discharged because the foreman of the grand jury found an indictment against him for not filing a copy of his diploma with the county clerk, but the physician was discharged because the foreman of the grand jury found an indictment against him for not filing a copy of his diploma came up before the grand jury in the October term the grand jury in the pertaining to the autopsy, every re-cord and comment made by them. These were all submitted to the critgood deal of the time from three sclock in the afternoon. A few minutes before ten o'clock I left Colonel Rockwell, with whom I had been discussed. During the progress of talking for some minutes in the lower hall, and proceeded up stairs step and incident was fully noted, to the President's room. On enterdiscussed and recorded, together icism of the conference and openly discussed. During the progress of to the President's room. On entering I found Mrs. Garfield sitting by
his bedside. There were no other
persons in the room. I said to her,
how is everything going? She said.
