was the memory of the sufferings and death of President Garfield, and the grief and gloom prevailing in his once happy household.

From the New York Tribanc.

Lt may be true that there is no political isance between the two parties just now, but it is gles true that there is plenty of record for both.

From the Annual Report of President Garfield, and the manufacturer \$5 profits on his capital, which, if it be a greater profit than he needs for consumption, and greater than he could make in other industries, he invests it in extending his works. The S55 cost of other constant the political isance between the two parties just now, but it is gles true that there is plenty of record for both. The Republican record is known of all men. Its fruits are unparalleled prosperity throughout the country.

Ohio Railroad we take the followdent Garrett, of the Baltimore and Ohio Railroad, we take the following statement of the earnings and expenses of the Pittsburgh and Connellsville Railroad, which will be of interest to many of our readers:

The annual statement of the Baltimore and on the earnings and expenses of the Pittsburgh and connellsville Railroad, which will be of interest to many of our readers:

The annual statement of the Baltimore and objects and the production diffuses stalf in the purchase of American feed in prosperity throughout the country. Of the Democrat record, what can any man say that is favorable? It consists of opposition to every Republican act for a quarter of a century. Idlaed, gill the good which has been done in that ting has been accomplished in spite of the production diffuses stalf in the purchase against the parties and indicate for the Belle Cut train robbery, and his evidence is important.
