y 36 feet and two stories high, erected over a never-falling spring of water. The farm also comprises a large Orchard of Mature Apple Trees, as young orchard, containing 200 bearing apple trees, and an abundance of pear, plum, peach and cherry trees, beside 100 bearing grape vines and numerare under a high state of cultivation, and in eight years the ground has been enriched by a deposit of 15,000 bushels of lime and 1200 tons of town manure. This portion of the farm has not been used for pasture during the last five years, and will yield large crops of wheat or grass, while one-half will grow cabbage or any other vegetables. Twenty acres are as rich as a garlen. This property would make a good Dairy Farm. Milk has brought from 3 to 5 cents per pound in our market for the last ten years. The land is underlaid with Ore and 3 veins of good Coal.

This farm will be sold, with or without the Mineral, on one or six annual payments, to suit the buyer. Also, will sell in smaller parts, or will trade for Town Property in part.
