WASHINGTON, Feb. 4, 1882. It would be curious, if the issue in the next presidential contest should relate to the unpirage of the United States in the Western Hem-isphere. Mr. Errett, long since spoke of the "mild unpirage of the Federal Union." But Mr. Blaine has proposed an extention of this umpirage to the quarrelsome child-ren of South America. The idea will find favor, not only with senti-mentalists, but with all who are not WHOLE NO. 1597. impervious to sentiment, and the fact that such an astute politician as Mr. Blaine is giving it prominence, lifts the question above the plane of ordinary interest.
