Somerset Herald. 21. Wallace W. Patrick, of Pittsburgh, | The t was in rown Friday on legal business. The Easter services held in our several discovered in the rear pert of the senders by sports that it was caused by sports that its seven first formers report the condition of the growting wheat crop as every favorable and well advanced for this season of the year. We had our regular Easter more on Mone of the growt will be built be built be built by a ball on the furnace. Mr. Swank's the favorable provides the favorable prov fire at a just hour fature GEO. R. SCULL, Editor,

We had our regular Easter snow on Mon-day. It came down steadily all day, and hooked very much like a return of winter. In a few days the telegraph office of the Somerset & Cambria Ealiroad Company in this place will begin to do a regular com-mercial business. John Hamer, Esq., and his brother Nat., of Heory and the the statistics may be properly reported. Superintendente and tachurs may make it a point to be present

John Hamer, Esq., and his brother Nat., of Hooversville, paid us a friendly call on Monday morning. They returned home on the afternoon train. mys "you was" and "each of the men Full car load. April 11, 1882. Doon & Basarra.
