coat, drew his knife, and swore he would cut them open. Lohr and Kimmel started to walk off; Cober took after them, and they broke into a dead run down Union street. After following some distance Cober gave up the chase and started to return to the Court House, but was overtaken and control by Courtable Gilbert and Will.

The Red Book is as a matter of course an advertisement of the Baltimore & Ohio Railroad, but it combines so much of general interest to the public with comparatively so little about the road, that it is far more valuable than nine-tenths the publications of the character placed on sale.

and lodged in jail. Lohr, in the meantime bad gone to the Library room to consult his bad gone to the Library room to consult his counsel, who advised him to go before a Justice and swear out a warrant for assault and battery with intent to kill. He started down the steps, and as he reached the door way some one called to the constable, "There he is!" and Lohr, supposing that it was Cober he was being pointed out to turned and fled at his best speed up the stairs, down through the middle aisle of the Court room, through the bar, right to the Court room, through the bar, right to the const, and it to come and the library room to consult his counsel, who advised him to go before a Justice and swear out a warrant for assault and battery with intent to kill. He started down the steps, and as he reached the door way some one called to the constable, "There he is!" and Lohr, supposing that it is bazarding nothing to predict that the new special edition devoted to the election which has just taken place will be pre-eminently the text book of 1882.

As there will doubtless be an immense the library room to consult his counsel to the United States, being always printed with exquisite taste on fine paper and bound in the best workmen I ever knew."

A copital and nevel play. We william M. Has considered to the best workmen I ever knew."
