BY NORA PEERY. What's this hurry, what's this flurry, All throughout the house to-day? Everywhere a merry scurry, Everywhere a sound of play Something, too, 's the matter, matter Out of doors as well as in,

CHRISTMAS DAY.

For the bell goes clatter, clatter, Every minute-such a din! Everybody winking, blinking. In a queer, mysterious way; What on earth can they be thinking,

What on earth can be to pay? Bobby peeping o'er the stair way, Bursts into a little shout: Kitty, too, is in a fair way, Where she hides, to giggte out As the bell goes cling-a-ling-ing Every minute more and more,

And swift feet go springing, springing, Through the hall way to the door, Where a glimpse of box and packet, And a little rustle, rustle, Makes such sight and sound and racket-Such a jolly bustle, bustle,-That the youngsters in their places, Hiding slyly out of sight,

All at once scream with delight. Go and ask them what's the matter. What the fun outside and in-What the meaning of the clatter, What the bustle and the din. Hear them, hear them laugh and shout the All together hear them say, Why, what have you been about, then, Not to know it's Christmas day?"

-Christmas St. Nicholas. A MERRY CHRISTMAS.

BY HELEN FORREST GRAVES.

That is what Mr. Miggles, the tavern keeper, called it, as he stood rubbing his hands before the blaze of the huge back log, that had upheid the tallest pine in all the forests man say so?"

After he was satisfied that his nomination was a certainty, he was very like without the slightest admination was a certainty, he was very large to speak the poor, agonized squaw anxious concerning the man who like we was to be chosen for a second term. After he was satisfied that his nomination was a certainty, he was very large to speak the poor, agonized squaw anxious concerning the man who like with the slightest admination was a certainty, he was very large to speak the poor, agonized squaw anxious concerning the man who like the poor of the was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. After he was to be chosen for a second term. A his half shaped dreams, and mechan-dictate candidates, as for individu- ing upon the ground and pressing ticket. After looking the country ically putting his hand on his pock-like it is even worse, for it requires her babe to her breast. This lasted over, he decided that he would like a greater effort to resist and over-throw them. Suppose the Commit-throw them. Suppose the Commit-throw them as silence, except the wails with him as Vice President. He throw them. Suppose the Commit-tee of One Hundred was to now say of the intended victim. Suddenly sent for General Cameron and asked The materials used are comparativewretch!" screamed Mrs. Miggles. who should be the candidate for the speaker sprang toward her and him to be his envoy in carrying his "Fiend in human shape!" roared the Mayer King's place, or that the grasped the child. She struggled desire to General Butlet, who was damsel; while all the tavern help joined in the general hue and cry.
"What's the matter?" said Peleg Pepper.
"Bring the poor little innocent"

Mayer King's place, or that the grasped the child. She struggled desire to General Butlet, who was then in command near Fort Monroe. Young Men's Republican Club tain it, and was compelled by force tain it, and was compelled by force to general Butlet, who was claims that he can put the eggs on the nin command near Fort Monroe. Wh. Cameron accepted the mission, and he, with Henry Wilson, of Mashould do the same thing, who would not denounce the policy as unwise swung the infant around his head, sachusetts, went down in a Government of the policy as unwise to be desire to General Butlet, who was claims that he can put the eggs on the nin command near Fort Monroe. The market in large quantities at a rate which will enable them to be not denounce the policy as unwise to let it go. The fiend immediately sachusetts, went down in a Government of the market in large quantities at a rate which will enable them to be not denounce the policy as unwise to let it go. The fiend immediately sachusetts, went down in a Government of the market in large quantities at a rate which will enable them to be not denounce the policy as unwise to let it go. The fiend immediately sachusetts, went down in a Government of the market in large quantities at a rate which will enable them to be not denounce the policy as unwise to let it go. The fiend immediately sachusetts are the child. She struggled desire to General Butlet, who was claims that he can put the eggs on the child. She struggled desire to General Butlet, who was claims that he can put the eggs on the nine for the policy as the policy a and dictatorial? Suppose Tammany holding it by the ankle, howling ment vessel to inform General Butler were to say who should be the next like a demon, and being echoed by of Mr. Lincoln's wishes. The meet-Democratic candidate for President? the red devils about him; but the ing with General Butler, Mr. Cam-If the rule of the "Bosses" has been squaw did not raise her head nor eron said, was exceedingly pleasant, overthrown, is not this but another emit a single sound. Suddenly he but when Mr. Lincoln's desire was way to restore that rule under a very dashed the child upon a rock and made known to him, his reply was: killed it instantly. Artificial Eggs.

A gentleman of this city, who turn of mind, has been experimenting for some time past with a view shows that there will be "big money" in an artificial egg that can be cheaply manufactured and which

will fill the place of the natural pro-The gentleman referred to began by experimenting on the yolk of the Having analyzed this, he found a rich essential oil, which he claims that he can extract from cotton seed at very little expense. This mixed in proper proportions with a substance which he declines to name, and colored with harmless matter used in coloring Jersey butter, makes a volk which can hardly

be distinguished from the original. For the white of an egg he succeed in extracting a substance from coal oil, which, after being steamed and kneaded, seems to furnish almost the exact counterpart of the natural white of an egg.

He has had more troble making a shell than with anything else. He experimented with paper, different preparations of lime, and several other substances without satisfactohappy thought, and after many ex-
