WHOLE NO. 1642.

The House of Representatives is making rapid headway with the ap-propriation bills. During the week

three were reported, viz: For the Postoffice Department, the Agricul-tural Bill, and the Military Acade-

my Bill. Two of the appropriation bills have already passed the House, viz The Indian and the Consular and Diplomatic Bills.

Although there is a good deal of

unanimity among members of Con-gress touching the reduction of let-

ter postage to two cents, there is a wide difference of opinion as to when it should go into effect. Some favor the 1st. of July next, and

many others the 1st. of January.

1884. The item for reduced postage, which is incorporated in the postoffice bill, will be passed without

doubt, the only question being as to the best-time to have it go into effect.

There are many disappointments The Democrats, it is believed, will market for the products of his brain. ject real civil service reform, for the brightest of intellects. The coinage Democratic they wish to postpone of their brains, stamped with genius. action so that they can shape legisla-
