giant was too much for Freeman, for keeper, in speaking of this artist's he threw him with ease. peculiarities, said that it one of his

Three years afterward Freeman went to England as the champion of America and engaged in a prize fight with the champian of England, known as the "Tipton Slasher," and easily defeated him. The only man dress-tran not the only man dress-tran style of the basiling in the transman will not object to the cumbersome fashion, if he has an object in view other than a re-transman of the cumbersome fashion, if he has an object in view other than a re-Three years afterward Freeman

These facts will give a good idea of "Uncle Ab's" great muscular "I am not the only man dress-of "Uncle Ab's" great muscular "I am not the only man dress-in object in view other than a re-ligious one. In the bas or three miles he overtook the hind-most of the band, and from them he learned that a new guich had been

of "Uncle Ab's" great muscular strength and activity. Like Joe Call, he literally never met with his match and never double his fist on a man for fear of killing him. Any one who had ever seen his tremen-dously long, heavy boned arms, en-cased in muscles of iron with his sledge hammer like fists, realized cased in muscles of iron with his sledge hammer like fists, realized perfectly that a blow from him par took of the nature of a kick from a horse, and it is not at all surprising that McDrath never doubled his fist

that McDrath never doubled his fast on a human being. On one occa-sion, after having hauled a load of barrels to town, he was on his re-turn, when he stopped at Doan's tavern to water his horses. A couple of conceited young bloods from the city had jast got into their buggy, and as they drove by "Ab" they thought it would be fun to give him a cut with their whip, which they did, and then drove off as fast as they could away toward the town. "Ab," not relishing that kind off. "Ab," not relishing that

"Ab," not relishing that kind of treatment, his Quaker like disposition yielded, and he gave chase on foot after the young bucks. For a while the frightened fellows managed to keep just so far ahead of him, but their horse commenced giving out, and they were overtaken. "Ab" got into the buggy, took the reins and whip out of their hands, and draw have bud to the corners where have a mue."
