A Criminal Mistake.

Indians were carousing near, ran for the house to barricade the door. The Marshal without waiting for closer investigation to see whether they were the parties wanted, opened fire, killing both children and wounding the woman. They then rushed into the house and seeing the other boy lying there in the dim light shot and killed him. On discovering their mistake they left and reported they had killed three desperadoes, but the facts have just come out. The Chickasaws are greatly excited over it, and are determined to sift the matter to the bottom. Torrible storm in Indiana.
