they began to come out, my. chum and me ran and climbed over a fence, and got behind a pile of hoop poles that was stacked up. I guess we could hear him yell, "come on, siderate kindness of the great soldier for his old father in the childishness of his old age, is a beautiful illustration of the principle referred to.

A few days ago General Grant brought the dead body of his mothad gone to bed, and then we come home. The bags were awful heavy, and I think it real mean in pa to go off and leave us, and not help carry the bags."

"I swan," said the groceryman "You are too mean to live. But what about you getting drunk?"

"O, I was going to tell you. Pa

Grant for his mother, and the considerate kindness of the great soldier for his old father in the childishness of his old father in the childishness of his old father in the childishness of his old age, is a beautiful illustration of the principle referred to.

A few days ago General Grant brought the dead body of his mother, and the conducted aright, one of the most honorable and when conducted aright, one of the most honorable and when conducted aright, one of the most honorable and when conducted aright, one of the most needed. No agency, save the pulpit, has so educated the sentiment of the public, so directed the mind of the people, so moulded legalization. The press must not only direct the thought of the people, but the side of his old father in a West-islation. The press must not only direct the thought of the people, but the side of his old father in a West-islation. The press must not only do the thinking for the people, but the side of his old father in a West-islation. The press must not only do the thinking for the people, but the side of his old father in a West-islation. The press must not only direct the thought of the people, but the side of his old father in a West-islation. The press must not only do the thinking for the people. This has been pre-eminently true and earnestly said:

"Judge, I'll be condemned if I don't believe he is guilty."

It is useless to add that the court was considerably exasperated at haveneration for age.

The surplus gold is actually needless. In James Book Patent Gold Watch Chees this WARTE is saved, and SOLIDITY and STREEGTH increased by a simple process, at one-half the cost. A plate of SOLID GOLD is soldered on each side of a plate oold is soldered on each side of a plate of hard nickel composition metal, and the three are then passed between polished steel rollers. From this the cases, backs, centers, besels, etc., are cut and shaped by dies and formers. The gold is thick enough to admit of all kinds of chasing, engraving and engine turning. These cases have been worn perfectly smooth by cases have been worn perfectly smooth by use without removing the gold. This is the only case made under this process.
