We add the following testimonial to show the capacity of the machine from one operation made in Missouri. I can turnish a thousand equally as faverable:

An. Miso. Co. Gentlemen: "I intended writing you somer but I wished to sell my fruit first, and I fell much indebted to your company for my success in this business. I saved my entire crop of down applies, which dropped from the trees on account of the great heat and wind of one week, and which would have been a total loss, as applies were so plenty here. I evaporated on my No. 2, his bushels of applies, which made 2,250 peumds of evaporated fruit, which I sold here at 14% cents per pound, making \$200.25. Total expense of operating, including motione, trights, and incidentals, \$126.55. I have the Evaporator as good as new, and have called it the "King" of all evaporators.
